**Project Updates**

An overview of project updates was handed out at the meeting. Due to minimal changes from the last meeting, Ms. Ossowski did not go over the handout in detail.

**National Night Out**

Ms. Ossowski explained that National Night Out will be held on Thursday, August 3<sup>rd</sup>. Last year the Bicycle and Pedestrian Committee had a booth with bike safety quizzes, handouts and prizes. The Police Department is in charge of the yearly event and asked the Committee to also be in charge of bicycle registrations. Ms. Ossowski explained that the Police Department will go over the registration steps that day. The event will be from 6:30pm-8:30pm and be held on Cook Street. Setup will begin around 5pm. Committee Person Belgrau and Committee Person Lee agreed to attend to help with the booth.

**Walking Tour with Village Board**

At the previous meeting the idea of a biking or walking tour of the Village with the Village Board was discussed. The Village Board has agreed to a 45 minute walking tour of the Village with the Committee during the Committee of the Whole meeting on Monday, August 7<sup>th</sup>. The Committee discussed a route that was suggested and shortened it to allow for discussion along the walk. Ms. Ossowski mapped the plan and outlined several stops along the way. Committee Person Lee agreed to take photos of the route in order to prepare a handout for the Village Board. Discussion points for the tour include restriping crosswalks, bike racks, safety of crosswalks, visibility of pedestrians, etc. Ms. Ossowski stated that a draft of the outline and map will be emailed out to the Committee.
