Barrington Art Festival

May 28 - 29, 2016

Amdur Productions proudly kicks off its season with the Barrington Art Festival on Memorial Day weekend. FREE and open to the public, the Barrington Art Festival will offer the work of 120 juried artists from around the world in a variety of mediums, including ceramics, fiber, glass, jewelry, metal, photography, watercolors, wood, and more. In addition to the incredible artwork available for purchase at the festival, guests will be able to enjoy live music throughout the weekend. Epicurean delights will also be available at the festival. Activities for kids make the Barrington Art Festival the perfect family experience.

Bike to School Day - May 4, 2016

Bike to School Day is almost here! Barrington has been a proud participant of National Bike to School Day for the past four years. All Barrington elementary schools are invited to participate. National Bike to School Day encourages children to ride their bikes to and from school and learn about bike safety. This year Bike to School Day falls on Wednesday, May 4, 2016. This is a great way to kick start National Bike Month!

Barrington Cruise Nights

Village Upcoming Events

5th Annual Barrington Area KidFest Kite Fly and Family Nature Fest

The Barrington Kite Fly and the Family Nature Fest will be held Saturday, May 7 from 11:00 a.m. to 3:00 p.m.- Two great FREE events equaling one fabulously fun day for your entire family. Enjoy a wide variety of fun and free outdoor activities at the 5th Annual Barrington Area KidFest. KidFest is hosted by the Barrington Breakfast Rotary Club, Leave No Child Inside, and the Barrington Park District and takes place at beautiful Citizens Park.

Get outside and enjoy flying a kite with your children, construct a bird house, run a relay, or climb a tree. These are just some of the fun activities you can do outside this year at KidFest. Our mission is to inspire healthy habits, introduce nature activities and opportunities in the area, and to encourage families to engage in outdoor activities together, such as fly a kite or go for a hike. This event is fabulous for all ages and parking is limited, so ride your bicycle to Citizens Park and get a free bike inspection from Village Cycle!

In case of rain, this event will be re-scheduled to Sunday, May 8th, from 11:00 a.m. - 3:00 p.m. For more information, visit www.barringtonparkdistrict.org.

Mother's Day 5k Run/ Walk

Mother's Day 5k Run/Walk will be held Sunday, May 8th at 8:00 a.m. Celebrate Mom's special day with family and friends running on the streets of Barrington. Run or walk up and down the quaint neighborhood streets of Barrington and bring the kids for a free 100 meter kid's dash. Support breast cancer research by contributing to the Gateway for Cancer Research. Visit www.allcommunityevents.com for more information.

Memorial Day Parade

Join Barrington residents and members of the Barrington VFW at 10:30 a.m. on Monday, May 30, for the annual Memorial Day Parade. The parade begins at Cook and Main Streets and will end at Evergreen Cemetery with a short service to commemorate U.S. men and women who died while in military service to their country. Unite with friends and neighbors for this solemn occasion.

Relay for Life

The American Cancer Society's Relay for Life of Barrington will hold its annual overnight event at Barrington High School, on June 10-11, 2016. Teams raise funds both prior to and during the event to support cancer research and local programs. Join us to celebrate those in our lives fighting and who have fought cancer, remember those we've lost to cancer, and fight back against the disease as a community. The event will include entertainment and activities for all ages, free sports, mini clinics, and local food vendors. For more information, visit www.relayforlife.org/barringtonil.

Memorial Day in Barrington

It's May and that means it's time to start into summer mode. Regular outdoor activities and special events like Cruise Nights and the Art Festival get underway by the end of this month. The official start of the summer season is, of course, Memorial Day – and Memorial Day in Barrington is a very special day.

Sometimes it rains or is overcast, but more often it seems Memorial Day is a bright sunny day with a beautiful blue sky over Barrington. One can feel the excitement in the fresh air when approaching the Veterans memorial area at Cook and Main Streets. By 10:00 a.m., people are filling the sidewalks in anticipation of the 10:30 a.m. flag salute and parade. The school band, Boy and Girl Scout troops, and veterans of all branches of our military line up in the streets and soon it is time to come to attention. The flag raising and salute at the flag pole are solemn moments marking the beginning of this memorial event, and evoking a sense of patriotism deep inside of those assembled.

The parade route down Main Street and up Dundee Avenue to Evergreen Cemetery is lined with moms and dads, teens, toddlers, and grandparents – some holding flags, and some dressed in red, white and blue. All attendees respectfully clap for the representatives of the Army, Navy, Air Force, Marines, Coast Guard, and Merchant Marine who have served their country in World War II, Korea, Vietnam, the Persian Gulf, Iraq, Afghanistan, and in many other places in between, as they pass by on their way to remember those who made the ultimate sacrifice for their country.

Words cannot adequately convey the feeling in Evergreen Cemetery as the parade surrounds the monument on the hill erected in 1906 “in memory of our heroes of the Civil War.” On Memorial Day, the current patriotic Barringtonians stand surrounded, as well, by the stone grave markers of those who stood in Barrington honoring patriotic heroes over 100 years before.

The memorial service conducted by the American Legion and Veterans of Foreign Wars at the cemetery touches the heart – from the reading of the names of those veterans from Barrington who have passed in the last year, to the beautiful acappella songs from Barrington choir students, to the recitation of memorial poems like “In Flanders Fields”, to the wreath and flowers laying at the monument by sincere young scouts, to the rousing 21-gun salute and finally, to the closing notes of “Taps” with its spectral echo.

A sense of honor, respect, and patriotism is palpable on Memorial Day in Barrington. This day embodies something that is quintessentially Barrington.

Cross Connection Control (Backflow Preventer)

Aqua Backflow

Protecting your water supply from contamination SM

As you may already know, the Village of Barrington has elected to move forward with an eco-friendly online cross connection control (backflow preventer) tracking program. The Illinois Environmental Protection Agency (IEPA) requires every water supplier to develop and implement a comprehensive cross connection control program for the elimination of existing cross connections and prevention or protection from all future cross connections.

Cross connections are sometimes protected by a valve called a backflow preventer. Backflow preventers are the property of the water customer and the responsibility lies with the customer for required annual testing and maintenance. The water customer must contract with a licensed tester to perform the required annual tests and any necessary repairs. Most plumbing contractors are now certified to test backflow preventers. There are costs associated with testing and maintaining backflow preventers.

Backflow preventers may be found at any number of locations on your water systems. Typically, commercial and industrial customers will have backflow preventers just after the water meter and also on wet fire protection systems. They may also have lawn irrigation systems or other water connections throughout their facilities that require backflow protection.

Residential backflow preventers may be found on lawn irrigation systems, wet fire protection systems, hot water heating (boiler) systems, swimming pool fills, water features, etc. Backflow preventers may also be required if there is another water source on the site such as a well, pond, river, etc.

Note that lawn sprinkler systems will be starting up soon. Plumbing Code requires that your backflow preventer be tested when the backflow preventer is re-installed every season.

The contractor hired to implement and oversee Barrington's backflow program is Aqua Backflow. They specialize in cross connection control program implementation and management. If you have or require backflow protection, you may be notified for compliance (testing, repairs, installations, inspections, or surveys) by Aqua Backflow. Questions can be directed to Aqua Backflow locally at (847) 742-2296 or toll-free at (866) 777-2124. The Barrington Utility Maintenance Supervisor can be reached at (847) 381-7903.

The Barrington Cross Connection Control Program is designed to safeguard public health. We ask for your cooperation with our program, its enforcement, and any requests for information that come from Aqua Backflow or Utility staff.

Spectacular Summer Events Scheduled

Last year's Sesquicentennial Celebrations were unforgettable and we are so proud of the camaraderie and volunteerism that those events showcased. To keep the momentum going, this year there are more events scheduled than ever before. This summer promises to be more vibrant, more active, more entertaining, and more spirited than ever with many activities planned in the Village. The Barrington Area KidFest is scheduled for Saturday, May 7th. This event combines the annual Barrington Kite Fly and the annual Family Nature Fest and is sure to be a fun-filled day for the entire family. The Barrington Art Festival returns this year over Memorial Day weekend with works from 120 juried artists from around the world. Gourmet foods, including fare from local restaurants, will be featured at the Festival, along with plenty of activities for kids, making this the perfect family experience. Members of the Barrington VFW kick off the annual Memorial Day parade on Monday, May 30th at 10:30 a.m. along with a short service to commemorate U.S. men and women who have died while serving our country.

These exceptional events round out the month of May, and the summer hasn't even started yet! Cruise Nights, Farmer's Market, Relay for Life, Summer Beer & Wine Walk, Fourth of July celebrations, Barrington Brew Fest, UnCork Barrington, and several fun runs/ races are all scheduled to make this a fun-filled vibrant summer. I've always enjoyed the small-town atmosphere of Barrington, and these events bring everyone together in a way that makes our Village such a great place to live, work, and play.

Remember to visit our website at www.barrington-il.gov for details on all of these upcoming events.

Jeff Lawler

Village Manager

Memorial Day, originally called Decoration Day, is a day of remembrance for those who have died in our nation's service. With Memorial Day approaching and Flag Day set annually as June 14th, many of us are planning to fly our American flags and are concerned about properly displaying and honoring one of our nation's most visible symbols.

The Flag Code, which formalizes and unifies the traditional ways in which we give respect to the flag, also con-

tains specific instructions on how the flag is not to be used. Some of these instructions include:

- The Flag should never be used as apparel, bedding, or drapery.
- When the Flag is lowered, no part of it should touch the ground or any other object; it should be received by waiting hands and arms.
- When displaying a flag outdoors, it should not be displayed on days when the weather is inclement, except when an all-weather flag is displayed.
- The Flag should not be draped over the hood, top, sides, or back of a vehicle, or of a railroad train or a boat. If displayed on a motorcar, the staff should be fixed firmly to the chassis or clamped to the right fender.
- When displayed from a staff in a church or public auditorium, the flag of the United States should hold the position of superior prominence. No other flag or pennant should be placed above it, or if at the same level, it should fly to the right of the U.S. flag.
- The Flag should form a distinctive feature of the ceremony of unveiling a statue or monument, but it should never be used as the covering for the statue or monument.
- On Memorial Day, the Flag should be displayed at half-staff until noon only, and then raised to the top of the staff.
- The Flag should be cleaned and mended when necessary. When it is no longer a fitting emblem for display, it should be destroyed in a dignified way, preferable by burning. Most American Legion Posts regularly conduct a dignified flag burning ceremony. There is a flag drop-off box at Veteran's Park at Park Avenue and Cook Street.

Law Enforcement Torch Run for Special Olympics

Please consider supporting the Barrington Police Department in its efforts to help transform the lives of Special Olympics athletes from across Illinois through the Law Enforcement Torch Run for Special Olympics Illinois. Special Olympics Illinois is a not-for-profit organization offering year-round training and competitions in 19 sports for more than 22,000 athletes with intellectual disabilities and more than 20,000 athletes ages 2-7 with and without intellectual disabilities. These programs are offered free-of-charge to the athletes and their families. Please consider supporting the Barrington Police Department as they strive to raise \$10,000.00 for this year's Law Enforcement Torch Run campaign. Your donation is tax-deductible and all proceeds go to Special Olympics Illinois, which is a 501(c) (3) charitable organization (Tax EIN: 36-2922811). Reaching this goal means that even more athletes will have the opportunity to participate in Special Olympics programs and reveal their inner champion. For more information, visit www.barrington-il.gov.

Did You Know?

Village residents should obey the Village's Outside Water Conservation Program. Use of sprinklers and irrigation systems can only be used on odd days, if your address is an odd number, and even days if your address is an even number. For more information, visit www.barrington-il.gov.

Village Vision

The vision of Barrington is to preserve and promote its unique small-town heritage, preserve its distinct ecological and historical character, provide a moral and safe environment, maintain a high quality of life through the efficient use of community resources, and respond to future challenges through citizen participation in all civic, social and cultural endeavors.

Due to the Memorial Day Holiday, the Village Hall will be closed Monday, May 30th. Groot refuse and recycling pick-up will be Saturday, June 4th.

Know What's Below. Call Before You Dig.

You may be surprised by what's buried in your yard. That's because most electric, gas, water, sewer and telecommunications companies are delivering utility services underground. To avoid personal injury and damage to those underground lines, state law requires you to contact JULIE before any digging project, regardless of the project size or depth. Both the call and JULIE's services are free. You can prevent injury and avoid damage by following these four important steps:

- Call or Click before you dig
- Wait the required amount of time (two working days after your phone call)
- Respect the marks
- Dig with care

Notify JULIE if you are doing any of the following projects: decks and patios, trees or shrubs, swing sets, signs, fountains, tents, fences, mailbox posts, room additions, gardens, swimming pools, landscaping, etc.
