

533 S. Grove Avenue – Noncontributing

ARC 11-12 – demolish existing noncontributing structure and construct new single-family residence.

2004-2005 survey photo

Updated 7/22/2015

At this location is a ca. 1975, frame, two-story side-gabled dwelling with an attached garage. In 2013 the original house was demolished and a new two-story dwelling with an attached garage was constructed. The attached garage is rear loading and cannot be seen from the street.
