

244 W. Lincoln Avenue – Contributing

This is a one- and one-half story side-gabled Queen Anne dwelling built ca. 1920. The house has a continuous brick foundation, a interior central concrete-covered chimney, an exterior or weatherboard siding and a slightly flared, side gable roof of asphalt shingles with a large, gambrel roof dormer with a paired set of windows on the main (S) façade. On the main (S) elevation is a small partial-width entry porch with bowed (?) Tuscan wood columns, wood panel end posts and a closed railing of weatherboard siding. The main entrance has an original, single-light glass and wood panel door set within a simple wood cornice surround. The first floor of the main façade has a large bay window supported by fanlight wood brackets. The east elevation has a secondary entrance with a single-light glass and wood door above which is an original, shed roof canopy supported by fanlight wood brackets. The west elevation has a bay window. Windows in dwelling are original, one-over-one double hung wood sash with wood surrounds. The eaves are oversized with exposed rafters. Gable fields have decorative wood shingle detailing, decorative wood trim and paired, one-over-one double hung wood sash windows. On the rear façade is a ca. 1955, one-story addition with an exterior of weatherboard and an entry on the east façade with a hipped roof wood canopy.

Located to the rear of the dwelling is a ca. 1965 frame garage. **Noncontributing**
