## **Snow Removal Information**

Any property that contains or abuts a public sidewalk is responsible for the removal of snow, of two inches (2") or more in depth, within the time frame specified in section 7-1-7 of the Barrington Village Code, as summarized below:

### **Business & Manufacturing Districts**

- Snow accumulations occurring between 7am and 6pm, Monday through Saturday, must have the snow removed within 3 hours.
- Snow accumulations occurring between 6pm and 7am, Monday through Saturday, must have the snow removed by 10am of the following day.
- Snow accumulations occurring on Sundays or legal holidays must have the snow removed by 10am of the following day.

### **Residential Districts**

- Snow accumulations of two inches (2") or more must be removed within 24 hours.

### **General Information**

- Snow removal activities and/or deposits may not create dangerous traffic situations or cause damage to property.
- Parcels with space limitations may need to have excess snow trucked off site.
- Sidewalks may need to be cleared several times during a single snow event.
- The entire width of the sidewalk will be expected to be cleared.
- Some parcels may have public sidewalks along multiple sides of the property. Be sure to check if you are responsible for the snow removal activities for any sidewalks adjacent to your property.

Should you have any questions or concerns, please contact the Development Services Department at (847) 304-3466. The Village appreciates your attention to this matter in effort to keep the sidewalks safe.
