IMPORTANT BUYER INFORMATION

1. AS IS SALE. Any warranties from a Manufacturer or other supplier, including warranties on any Dealer-installed Non-Manufacturer accessories, are direct from such Manufacturer or supplier, not Dealers, and only such Manufacturer or other supplier will be liable for performance under those warranties. All goods, services and Vehicles sold by Dealer are sold "AS IS." SEE TERMS AND CONDITIONS SECTION 10 ON REVERSE SIDE.

2. TERMS AND CONDITIONS. The terms and conditions for this purchase and sale are attached.

3. NO ORAL AGREEMENTS. There are no oral agreements regarding the Vehicle(s). Employees, salespersons and managers are not authorized to make any oral representations, agreements or promises about the Vehicle that are not in writing. Any oral representation, agreement or promise not in writing is not a part of this Order and is not binding on Dealer.

4. NON-CANCELLABLE. This transaction is non-cancellable after the Dealer and Buyer sign this Order except as otherwise provided herein. I have read all terms printed on the front and back of this Order, and I understand and agree to them as part of this Order. I understand that the front and back of this Order, including the Terms and Conditions, comprise the entire agreement for this purchase, and no other agreement or understanding of any nature concerning the same has been made or entered into, or will be recognized. I also certify that there are no unwritten agreements or understandings and that no credit has been extended by Dealer nor arranged by Dealer for the cash down payment unless it appears in writing on the face of this Order. There are no blanks on this Order. I certify that I am at least 18 years old and acknowledge receipt of a copy of this Order. By signing below, I authorize outside parties to release financial information to the Dealer that includes, but is not limited to, information regarding lien amounts and details regarding the financing of the equipment listed on the face of this Order.

THIS ORDER SHALL NOT BECOME BINDING UNTIL ACCEPTED BY THE MANAGER.

TERMS AND CONDITIONS OF SALE

The Order on the reverse side hereof includes, and is subject to, the following terms and conditions: 1. DEFINITIONS AND RELATIONSHIP: As used in this Order, the terms (a) "Dealer" means the dealership that owns or has a right to sell the Vehicle being sold; (b) "Buyer" means the party(ies) named on the reverse side as Buyer; (c) "Manufacturer" means the company that manufactured the Vehicle or chassis; and (d) "Vehicle(s)" shall mean the vehicle(s) being purchased by Buyer listed on the reverse side of this Order. Dealer is not the agent of Manufacturer. Dealer and Buyer are the only parties to this Order. Reference to Manufacturer is for the purpose of explaining generally the contractual relationships between Dealer and Manufacturer regarding new vehicles.

2. PRICE CHANGES; MANUFACTURER, BODY-BUILDER OR UPFITTER FEES, COSTS OR SURCHARGES: Manufacturer, and certain body-builders and upfitters, have reserved the right to change the price to Dealer of new vehicles and or to impose fees, costs or surcharges, without notice. In the event the price to Dealer of the Vehicle(s) is is increased by Manufacturer, or a body-builder or upfitter, if applicable, prior to delivery of the Vehicle(s) ordered by Buyer, or Manufacturer, a body-builder or upfitter imposes fees, costs or surcharges, Dealer reserves the right to change the total delivered price of the Vehicle(s) to Buyer to pass thru such fees, costs or surcharges, accordingly, but without markup, overhead or profit to Dealer. Dealer will use reasonable efforts to promptly notify Buyer on receipt of notice of such increase, or imposition of fees costs or surcharges. Any such increase, or imposition of fees, costs or surcharges will not give rise to any right to cancel the Order, provided, however, that as a courtesy, and not as a matter of contractual obligation, Dealer may work with Buyer, and the applicable Manufacturer, bodybuilder or upfitter, regarding any available opportunity to cancel the Order.

3. TRADE-IN REAPPRAISAL: If a trade-in for the Vehicle(s) ordered by Buyer is not delivered to Dealer until delivery to Buyer of the ordered Vehicle(s), the trade-in will be reappraised at that time, and such reappraised value will determine the allowance made for the trade-in. If the reappraised value is lower than the original trade-in allowance shown on the front of this Order, Buyer may, if dissatisfied, cancel this Order, provided, however, that the right to cancel must be exercised prior to both the delivery to Buyer of the Vehicle(s) ordered and the surrender of the trade-in Vehicle to Dealer.

4. EVIDENCE OF TITLE FOR TRADE-IN; REQUIREMENTS FOR TRADE: Buyer agrees to deliver to Dealer evidence of unrestricted title to any trade-in as a part of the down payment for the Vehicle(s) ordered. Buyer warrants and represents any trade-in to be Buyer's property free and clear of all liens and encumbrances, except as expressly noted on the front of this Order. Buyer warrants and represents that the trade-in was not in a prior accident or has not incurred any frame damage nor is it a municipal, salvage, damaged, rebuilt or flood vehicle, nor has it been the subject of any "lemon" claim. The Buyer further warrants and represents that the odometer of the trade-in was not altered or tampered with prior to its transfer to the Dealer. Additionally, the buyer certifies that all emissions including, but not limited to, the diesel particulate filter, EGR valves, and EGR coolers function properly and will pass industry tests and inspections. When equipped, model year 2008 and newer trade-ins must have a fully functional particulate filter capable of regeneration at normal factory intervals.

5. TRADE-IN ALLOWANCE. The trade-in allowance shown on the reverse side may not represent the actual cash value of the Buyer's trade-in(s). Buyer acknowledges that such allowance may be an over allowance for said trade-in(s) in lieu of an additional discount on the purchase price of the Vehicle(s). In the event of any dispute between Buyer and Dealer as it may relate to any trade-in(s) or return of any trade-in or rescission of this Order, Dealer's only obligation as to the trade-in(s) shall be the actual amount received from the sale of the trade-in, less a selling commission of 15% and any expenses incurred in storing, insuring, conditioning or advertising the trade-in for sale, will be returned to Buyer.

6. TRADE IN PAYOFF. Dealer has relied on information from Buyer and/or the lien holder of Buyer's trade-in(s) to determine the "Est. Lien Payoff" shown. Buyer understands that the such payoff is only an estimate and may not be the actual amount owed. Buyer directs Dealer to pay off the lien on the trade-in as soon as practical after closing on this transaction. If the payoff balance on the trade-in is greater than the estimated payoff shown, Buyer agrees upon demand to promptly pay the difference to Dealer. If the payoff balance is less than the estimated payoff shown, Dealer shall promptly pay the difference, in Dealer's sole discretion, to either Buyer's lender or Buyer. Buyer acknowledges and agrees that as of the date of this Order that Buyer is or will be transferring title to and ownership of the trade-in(s) to Dealer but that Buyer, and not Dealer, will remain responsible for amounts due to Buyer's lender or lien holder for the trade-in(s) until paid in full, which may be after the date of this Order. Buyer will indemnify and hold Dealer, and any of its shareholders, directors, officers, members, managers, employees, agents, representatives, attorneys, insurers, affiliates, parents, successors and assigns, from any and all claims arising out of, or relating to, amounts that are or become due to Buyer's trade-in lender or lien holder after the date of this Order and prior to the lender or lienholder being paid in full.

7. BUYER INDEMNITY. Buyer agrees to indemnify and hold Dealer, its directors, officers, agents, and employees harmless from any and all claims of liability and expenses, including but not limited to, injury to person or property, loss of profit, and reasonable attorney fees, arising out of or in connection with any breach of this Order, or of the Buyer's warranties, representations, and agreements contained in this Order, including but not limited to the representations concerning any trade-ins.

8. BUYER DEFAULT: Unless this Order is canceled by Buyer as allowed by these Terms and Conditions, Dealer has the right, upon failure or refusal of Buyer to accept delivery of the Vehicle(s) ordered and to comply with the terms of this Order, to retain, as liquidated damages, any cash deposit made by Buyer and, may sell any trade-in and reimburse itself from the proceeds of such sale for the expenses specified in Paragraph 2 above, and for such other expenses and losses as Dealer may incur or suffer as a result of such default by Buyer, including lost profits.

9. DESIGN CHANGES: Manufacturer has reserved the right to change the design of any new Vehicle, chassis, accessory, or part at any time without notice, without the obligation to make the same or any similar change upon any Vehicle, chassis, accessory, or part previously purchased by or shipped to Dealer or being manufactured or sold in accordance with Dealer's orders. In the event of any such change by Manufacturer, Dealer has no obligation to Buyer to make the same or any similar change in any Vehicle, chassis, accessory, or part covered by this Order, either before or after delivery to Buyer.

10. DELIVERY LIABILITY LIMITATION: Dealer will not be liable for failure to deliver or delay in delivering the Vehicle(s) where such failure or delay is due, in whole or in part, to any cause beyond the control or without the fault or negligence of Dealer. Buyer agrees that Buyer is not entitled to recover from Dealer any consequential damages, damages to property, damages for the loss of use of the Vehicle(s), loss of time, loss of profits or income, or any other incidental damages which may result from failure to deliver or delay in delivery of the Vehicle(s) where such failure or delay is due, in whole or in part, to any cause beyond the control or without the fault or negligence of Dealer, including, but not limited to, Manufacturer's failure to produce or deliver the Vehicle(s).

11. TAXES: The total taxable price for the Vehicle(s) ordered does not include sales, use, excise, or other taxes (Federal, State or local). Buyer assumes and agrees to pay, unless prohibited by law, any such taxes imposed on or applicable to the transaction covered by this Order, regardless of which party may have primary tax liability.

12. WARRANTY DISCLAIMER: A. IN THE EVENT A VEHICLE IS EITHER A NEW VEHICLE, DEMONSTRATOR, OR A USED VEHICLE STILL SUBJECT TO A MANUFACTURER'S WARRANTY, DEALER EXPRESSLY DISCLAIMS ALL WARRANTIES, EXPRESS AND IMPLIED (INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE) ON SUCH VEHICLE. FURTHER, DEALER NEITHER MAKES NOR AUTHORIZES ANY OTHER PERSON TO MAKE ON DEALER'S BEHALF, ANY WARRANTY IN CONJUNCTION WITH THE SALE OF ANY VEHICLE. AS TO ANY MANUFACTURER'S WARRANTY WHICH MAY BE EXTENDED TO BUYER BY MANUFACTURER, DEALER SPECIFICALLY DISCLAIMS ANY LIABILITY THEREUNDER, SUCH MANUFACTURER'S WARRANTY BEING BETWEEN BUYER AND MANUFACTURER ONLY. B. UNLESS A SEPARATE WRITTEN INSTRUMENT SHOWING THE TERMS OF ANY DEALER WARRANTY OR SERVICE CONTRACT IS FURNISHED BY DEALER TO BUYER, ALL VEHICLES ARE SOLD "AS IS," AND THE DEALER DISCLAIMS ALL WARRANTIES,

EITHER EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. C. IN THE EVENT A VEHICLE IS A USED VEHICLE SUBJECT TO FEDERAL TRADE COMMISSION RULES REQUIRING THE POSTING OF A "BUYER'S GUIDE" THE INFORMATION ON THE WINDOW FORM FOR THIS VEHICLE IS PART OF THIS CONTRACT, INFORMATION ON THE WINDOW FORM OVERRIDES ANY CONTRARY PROVISIONS IN THIS ORDER. D. Buyer has selected the Vehicle(s) and any configuration or options, and has not relied on the Dealer for such selection. E. Dealer is not part of any aftermarket or third-party service contract or warranty which may be sold by Dealer. Buyer will look only to the third-party seller of any such aftermarket service contract or warranty, and not to Dealer, for any remedy or recourse.

13. DAMAGE DISCLOSURE: A. NEW VEHICLE. DEMONSTRATOR. EXECUTIVE OR MANUFACTURER'S VEHICLE OR PROGRAM VEHICLE: Damage to a new Vehicle (including to all mechanical components, electrical components, sheet metal, paint, trim or other appearance items) may occur either at the factory during assembly, while the Vehicle is being transported to Dealer, or while in Dealer's possession awaiting sale. Normally, any damage which occurs during assembly is detected and corrected at the factory during the inspection process. Damage which has been repaired by the Manufacturer prior to delivery to Dealer, since generally unknown to Dealer, will not be disclosed. B. USED VEHICLES: Since a used Vehicle has been subject to use and possibly to body and mechanical damages, the Vehicle may have been subject to repairs for mechanical reasons or to enhance appearance for sale. Such repairs may include body work and painting of the Vehicle. Since (i) Buyer has the right to inspect the Vehicle, (ii) Dealer generally lacks knowledge of all prior repairs, and (iii) there is uncertainty as to what may be deemed material to Buyer. Dealer makes no representations as to former damage or as to whether the Vehicle was in a prior accident, bad frame damage or incurred any other damage that would affect the condition of the vehicle or its value.

14. ODOMETER DISCLAIMER: The mileage shown on the odometer of the Vehicle(s) sold or leased is believed by Dealer to be the actual mileage of the Vehicle(s) unless otherwise disclosed. However, Dealer makes no warranties or representations as to the actual mileage that the Vehicle has been driven, and expressly disclaims any liability for damages which may be asserted by Buyer, or Buyer's transferees or assigns, in the event the mileage shown is incorrect. Should the vehicle subject to this Agreement be subject to the Federal Odometer Statute, the Odometer Statement provided by the Dealer shall control.

15. COLOR OR EQUIPMENT CHANGE: If the Vehicle(s) ordered is received by Dealer with a different color or equipment, Buyer will be notified. If Dealer and Buyer reach an agreement as to purchase of the Vehicle(s), a new Order shall be completed by Dealer and Buyer covering the Vehicle(s) received; and the new Order will take the place of this Order and this Order will be null and void.

16. OTHER DOCUMENTS: The Buyer, before or at the time of delivery of the Vehicle, will sign such other documents as may be required by the terms and conditions of payment indicated on the front of this Order.

17. SAVINGS CLAUSE. GOVERNING LAW AND VENUE: Any provisions of this Order prohibited by State or Federal Law will be ineffective to the extent of such prohibition, but shall not invalidate the remaining provisions of this Order. This Order shall be governed by the laws of the State in which it is written, and Buyer agrees that the state court of the county in which the Dealer is located shall be the court of exclusive jurisdiction and venue with respect to any disputes arising from or related to this Order.

18. ARBITRATION: Any dispute arising out of or relating to this Order shall be resolved by binding arbitration before a single arbitrator pursuant to the Arbitration Rules of Resolute Systems, Inc. in effect on the date of this Order. Buyer acknowledges that in partial consideration for the agreements, covenants and representations of the parties hereto that he/she/it has or shall upon signing this Order or thereafter upon presentment by Dealer sign a separate arbitration agreement with Dealer, the terms and conditions of which are incorporated in this Order and made a part hereof.

19. FINANCING. Dealer intends to assign to a third-party lender any retail installment contract executed by Buyer for the purchase of the Vehicle(s). Buyer understands and agrees that Dealer SHALL NOT BE OBLIGATED TO SELL the Vehicle(s) to him/her/it unless a third-party lender accepts the assignment of the retail installment contract signed by the Buyer. The Order and retail installment contract may be cancelled at any time by Dealer, if Dealer determines in its sole discretion that it cannot obtain third party lender approval and may be cancelled by either party within twenty-one (21) days hereafter if such approval is not obtained on the agreed terms within such time. Additional terms may apply as set out in the retail installment contract and/or a finance rider. Buyer agrees to provide Dealer with a true, correct and complete credit application and cooperates fully in obtaining financing, including providing supporting documentation and Buyer acknowledges that Dealer is solely relying on the accuracy of such information. In the event the Order is terminated as provided herein, Dealer shall return any monetary deposit made by Buyer to Dealer and Buyer agrees to return the Vehicle(s) to Dealer upon demand. In the event that Buyer does not return the Vehicle(s) as required herein, the Dealer may repossess the Vehicle(s) and Buyer shall be liable for all costs, expenses and reasonable attorneys' fees incurred by Dealer related to such repossession and any damages to the Vehicle(s).

20. FAILURE TO DELIVER TRADE-IN VEHICLE OR TITLE. If Buyer fails to deliver any trade-in or good title to such Vehicle(s) on or before the time of deliver of the Vehicle(s) to Buyer, this Order shall remain in full force and effect unless cancelled by the Dealer, except that at the election of the Dealer, there shall be immediately due and payable from the Buyer to Dealer the amount of the gross-trade in allowance plus all applicable taxes.

21. SECURITY INTEREST IN TRADE-IN. By signing this Order, Buyer grants to Dealer a security interest in the trade-in Vehicle(s) to secure Buyer's obligations under this Order and the other documents executed herewith. In the event of a breach of the Order by the Buyer, Dealer may exercise all rights of a secured party under the Uniform Commercial Code with respect to the trade-in . Buyer agrees to execute any and all documents reasonably required by Dealer to perfect Dealer's security interest granted herein.

22. PROMISSORY NOTE/ADDITIONAL CHARGES. Any additional sums due pursuant to the terms of this transaction may be evidenced by a promissory note executed by Buyer in favor of Dealer. In the event any payment made by Buyer to Dealer is in the form of a check which is dishonored for any reason, Buyer shall pay a service charge to Dealer in the amount of $100.00 plus any and all other compensatory and any other credit related costs under applicable law.

23. SUCCESSION. This Order is binding and shall inure to the benefit of the parties hereto and their respective heirs, executors, personal representatives, successors, and assigns, except that Buyer may not assign this Order or any interest therein, in whole or in part, without the prior written consent of Dealer.

24. REBATE. If a rebate from the Manufacturer is reflected on the reverse side of this Order, Buyer understands that such rebate is being subtracted from the total amount due as a courtesy to the Buyer. If Buyer does not qualify for the Manufacturer's rebate indicated on this Order, Buyer agrees to pay the amount of the rebate plus applicable taxes to Dealer within three (3) days after demand by Dealer.

25. OTHER DOCUMENTS; CORRECTION. The Buyer shall at any time upon demand by Dealer, even if such demand is after the date of this Order, execute such forms, agreements, or other documents as may be reasonably required to complete the transaction contemplated by this Order, or to evidence correction of mathematical or scrivener's errors.

26. REPOSSESSION. In addition to any other remedies that may be available to Dealer, in the event Buyer is unable to secure financing to purchase the Vehicle(s), Buyer's down payment check(s) do not clear or are not honored, or Buyer is otherwise in default of this Order or other written agreement related hereto, prior to full payment to dealer, and Buyer refuses to return the Vehicle(s) as required herein, Buyer authorizes Dealer to repossess the Vehicle(s) with or without legal process pursuant to applicable law.

27. RIGHT TO INSPECT-FINAL ACCEPTANCE OF VEHICLE. REGARDING PRICE INCREASES, SURCHARGES, FEES AND COSTS

Vehicle Order: DE-02141

Buyer: Village Of Barrington

Dealer: Peterbilt of Wisconsin, Inc. dba JX Truck Center

Date: 8/28/23

Dealer, and its manufacturers, bodybuilders, upfitters and other suppliers are experiencing unprecedented cost increases resulting from global supply shortages, including the pandemic, increased demand for electronic chips, and scarcity of certain raw materials. Dealer is faced with incredible volatility in its business, accordingly, particularly for non-commodity units and chassis. In order to manage that volatility, and to enter into the above vehicle order, Dealer requires the right to pass such increases through to the Buyer. Accordingly, and as additional consideration to Dealer relative to the above-referenced sale, the parties agree that Manufacturer, and certain body-builders and upfitters, have reserved the right to change the price to Dealer of new vehicles and or to impose fees, costs or surcharges, without notice. In the event the price to Dealer of the Vehicle(s) is increased by Manufacturer, or a body-builder or upfitter, if applicable, prior to delivery of the Vehicle(s) ordered by Buyer, or Manufacturer, a body-builder or upfitter imposes fees, costs or surcharges, Dealer reserves the right to change the total delivered price of the Vehicle(s) to Buyer to pass thru such fees, costs or surcharges, accordingly, but without markup, overhead or profit to Dealer. Dealer will use reasonable efforts to promptly notify Buyer on receipt of notice of such increase, or imposition of fees costs or surcharges. Any such increase, or imposition of fees, costs or surcharges will not give rise to any right to cancel the Order, provided, however, that as a courtesy, and not as a matter of contractual obligation, Dealer may work with Buyer, and the applicable Manufacturer, body-builder or upfitter, regarding any available opportunity to cancel the Order.

This Agreement and Acknowledgment Regarding Price Increases, Surcharges, Fees and Costs will govern over any other or conflicting document on the issue of pricing and price increases.
