Ordinance No. 24-4390

ORDINANCE AUTHORIZING THE EXECUTION OF A CONTRACT WITH JIM HAYES, INC. FOR THE PURCHASE OF TWO (2) NEW 2023 DODGE POLICE PURSUIT VEHICLES

WHEREAS, the Village of Barrington, Cook and Lake Counties (the "Village"), finds that it is necessary and advantageous to the Village to purchase two (2) new Dodge Charger Police Pursuit Vehicles for use by the Village's Police Department; and

WHEREAS, the Corporate Authorities of the Village have requested and received a quote from Jim Hayes, Inc., Harrisburg, Illinois ("Contractor") for the purchase of two (2) new 2023 Dodge Charger Police Pursuit Vehicles (sometimes referred to as "said vehicles") at a not-to-exceed cost for both of said vehicles of $72,960.00 (the "Contractor's Quotes"), without soliciting for proposals pursuant to Section 1-6A-6 of the Barrington Village Code, but the pricing from Jim Hayes, Inc. is consistent with that pricing which was available through Dodge/RAM Bid's used by Federal, State and local units of government in the State of Illinois in the previous year. A copy of the Contractor's Quotes and the related specification sheets for each of the two (2) vehicles are attached hereto as Group Exhibit A and thereby made a part hereof; and

WHEREAS, the Corporate Authorities of the Village have determined that it is in the best interests of the Village and its residents to purchase said vehicles from the Contractor who holds said vehicles in stock and issue purchase orders for the Village's purchase thereof as set forth herein; and

WHEREAS, the Village desires to purchase the aforesaid two (2) new 2023 Dodge Charger Police Pursuit Vehicles with optional additions for an aggregate cost for both of said vehicles of $72,960.00:

NOW, THEREFORE, BE IT ORDAINED by the President and Board of Trustees of the Village of Barrington, Cook and Lake Counties, Illinois, in exercise of the authority of this Village as a Home Rule unit, as follows:

SECTION 1: The Corporate Authorities of the Village find that the facts set forth in the preamble to this Ordinance are true and correct and are incorporated herein as its findings of fact.

SECTION 2: The Corporate Authorities of the Village hereby approve the two (2) Contractor's Quotes dated March 26, 2024 received from Jim Hayes, Inc., 2130 U.S. 45 North, Harrisburg, IL for the Village's purchase of two (2) new police vehicles, consisting of two (2) new 2023 Dodge Charger Police Pursuit Vehicles (Jim Hayes Stock Nos. C23120 and C23057), each at a price of $36,480.00, for a total cost in the aggregate of $72,960.00, and the issuance of a Purchase Order for each vehicle. Pursuant to Section 1-6A-6 of the Barrington Village Code, the Corporate Authorities hereby waive any and all requirements for competitive bidding or alternative proposals as may otherwise be required by law or by ordinance with respect to the proposed purchase of the two police pursuit vehicles and such transaction with Jim Hayes, Inc.

SECTION 3: The Village President or the Village Manager, and/or such other Village employees respectively designated by them, are hereby authorized to execute and deliver Purchase Orders, Contracts, and other Contract Documents, on behalf of this Village, to Jim Hayes, Inc. for the purchase of the aforesaid two (2) new 2023 Dodge Charger Police Pursuit Vehicles subject to the terms of the respective invoices received from Jim Hayes, Inc., and to otherwise take all the necessary and appropriate actions, including but not limited to the execution and delivery of any other documents related to the Village's purchase of the aforesaid vehicles, in order to accomplish the purchase as herein provided.

SECTION 4: This Ordinance shall be in full force and effect from and after its passage and approval as provided by law.

EPA DOT Fuel Economy and Environment

Gasoline Vehicle

Fuel Economy These estimates reflect new EPA methods beginning with 2017 models.

19 MPG combined city/hwy
16 city 25 highway
5.3 gallons per 100 miles

Large cars range from 14 to 131 MPGe.
The best vehicle rates 132 MPGe.

You spend $5,500 in fuel costs over 5 years compared to the average new vehicle.

Annual fuel cost $2,700

Fuel Economy & Greenhouse Gas Rating (tailpipe only): 4 (1 – 10 Best)

Smog Rating (tailpipe only): 3 (1 – 10 Best)

This vehicle emits 466 grams CO2 per mile. The best emits 0 grams per mile (tailpipe only). Producing and distributing fuel also creates emissions; learn more at fueleconomy.gov.

Actual results will vary for many reasons, including driving conditions and how you drive and maintain your vehicle. The average new vehicle gets 28 MPG and cost $8,000 to fuel over 5 years. Cost estimates are based on 15,000 miles per year at $3.40 per gallon. MPGe is miles per gasoline gallon equivalent. Vehicle emissions are a significant cause of climate change and smog.
