ORDINANCE NO. 2024-4430

ORDINANCE APPROVING A PROPOSAL FOR THE PURCHASE OF TWO CUSTOM STREET LIGHT POLES, FIXTURES, AND BASES FROM ENVIRONMENTAL LIGHTING FOR ARCHITECTURE THROUGH MIZ ENTERPRISES

WHEREAS, the Corporate Authorities of the Village of Barrington (the "Village") have been advised by the Department of Public Works that the Village's inventory of the two (2) styles of custom light poles utilized in the Village Center has been depleted, and in consideration of this fact, the Corporate Authorities have determined that it is necessary and in the best interests of the Village to replenish that inventory and purchase two (2) of the subject custom street light poles to be maintained as inventory by the Department of Public Works in the event that it becomes necessary to replace any of the existing light poles within the Village Center; and

WHEREAS, the Corporate Authorities of the Village have also been advised that the lead time required for receipt from the vendor of the two (2) different styles of custom light poles with fixtures and bases is approximately twelve (12) months, and in order to prevent any potential hazard which might arise as a result of damage to or destruction of any of the existing light poles within the Village Center, the Corporate Authorities have determined that it is in the best interest of the Village and its residents to now purchase such replacement light poles; and

WHEREAS, the Village requested and received from MIZ Enterprises, P. O. Box 342, Lake Villa, Illinois, Quote No. Q07172401VOB dated July 17, 2024 which includes the related Quotes received by the vendor Environmental Lighting for Architecture ("ELA"), 555 Monica Circle, Corona, California 92880, i.e., ELA Quotation No. Q23971 dated June 19, 2024, and ELA Quotation No. Q24019 dated July 17, 2024, for the purchase of two (2) custom light poles which match the two (2) styles of light poles now utilized in the Village Center, and specifically, one (1) ELA Q23971 Village Standard 12'9" tall pole with fixture and base, and one (1) ELA Q24019 Village Standard Davit Pole with fixture and base, with those specifications respectively set forth on ELA Quotation No. Q23971 dated June 19, 2024 and ELA Quotation No. Q24019 dated July 17, 2024, including freight charges and delivery to the Village, for a total not-to-exceed cost of $27,960.00 (MIZ Quote No. Q07172401VOB, ELA Quotation No. Q23971, and ELA Quotation No. Q24019 are collectively referred to herein as the "MIZ Enterprises Quote"), copies of which MIZ Enterprises Quote and both ELA Quotations are attached hereto as Group Exhibit A and thereby made a part hereof; and

WHEREAS, the Corporate Authorities of the Village have determined that it is in the best interests of the Village and its residents to approve the Village's purchase of the respective two (2) custom light poles, fixtures, and bases and accept the MIZ Enterprises Quote attached hereto as Group Exhibit A and thereby made a part hereof:

NOW, THEREFORE, BE IT ORDAINED by the President and Board of Trustees of the Village of Barrington, Cook and Lake Counties, Illinois, in exercise of the authority of this Village as a Home Rule unit, as follows that:
