YOUR PARKWAY QUALIFIES FOR A NEW TREE

Please review the trees in this brochure to make a desired selection for your home's parkway area.

3 Determine your top three choices and call Barrington Public Works at **(847) 381-7903** to indicate your preference.

Please note that trees will be reserved on a first-come, first-served basis. Call as soon as possible to increase the chance of receiving your top choice.

BREATHTAKING BENEFITS OF URBAN TREES

- Trees cool the air, naturally reducing the temperature
- Trees increase property values
- Trees absorb air pollution, cleaning the air we breathe
- Trees help reduce stormwater runoff and improve water quality
- Trees provide important habitats
- Trees block the sun to keep homes cooler and break cold winds, lowering energy consumption
- Trees improve physical and mental health
