Re: 400,000-Gallon Spheroid (Oaks) Water Storage Tank – Recommendation for Award

Dear Mr. Fecske:

Dixon Engineering has reviewed the bids submitted for the rehabilitation and repainting of the Village's 400,000-gallon Spheroid (Oaks) tank and recommends the award to the lowest qualified bidder, Dynamic Industrial Services, Inc. of Lansing, IL in the amount of $651,000. This includes all line items per the Schedule of Values. There were four (4) bids received from companies that attended the mandatory Prebid meeting. The highest bid came in at $1,170,500 and the lowest at $651,000. There were 3 bid submissions that did not have representation at the mandatory Prebid meeting and those bids were unread.

After Village approval, please sign and forward a copy to the contractor for signature. Instruct the contractor to return one copy to you, forward a copy to our office, and retain a copy for his files. Also, please notify the contractor that he is to forward to our office the required bonds and certificate(s) of insurance for inclusion in the contract documents. We ask that you do this as the contract is between Barrington, IL and the contractor. The contractor has our mailing address.

We appreciate this opportunity to be of service to you on this project. If you have any questions regarding our recommendation, please contact me at (630) 376-8322.
