ORDINANCE NO. 2025-4488

ORDINANCE
AUTHORIZING AND APPROVING THE PURCHASE OF A NEW BREATHING AIR MODULE COMPRESSOR AND OTHER EQUIPMENT FOR USE BY THE BARRINGTON FIRE DEPARTMENT

WHEREAS, the Village of Barrington, Cook and Lake Counties, Illinois (the "Village"), wishes to purchase a new breathing air module compressor with a CO monitoring system and other related equipment for use by the Barrington Fire Department; and

WHEREAS, the Village solicited and received from Air One Equipment, Inc., 360 Production Drive, South Elgin, IL 60177 ("Air One") a Quotation dated January 3, 2025 (the "Air One Quotation") for the Village's purchase of one (1) MAKO Model BAM06HE3 Breathing Air Module Compressor with an air cooled compressor, and MK2C purification system with a related MAKO CO monitoring system, a related 2-position SCFS2 containment fill station, upgraded to an SSCFS model certified for 5500 PSI SCBA containment, with gauges, filling whips, high-pressure regulator, a four-cylinder DOT 6000 PSI cascade system, including freight charges, delivery, and installation of the complete system, which equipment is more fully described on the Air One Quotation, for a total not-to-exceed cost of $56,690.00, which cost includes the Village's trade-in and removal of the existing air compressor and installation of a three inch (3") fresh air intake and NFPA 1989 CO Monitor (collectively referred to herein as the "new Breathing Air Module Compressor and Related Equipment"); and

WHEREAS, the Corporate Authorities of the Village have determined that it is in the best interest of the Village and its residents for the Village to accept the Air One Quotation dated January 3, 2025 for the purchase by the Village of the aforesaid new Breathing Air Module Compressor and Related Equipment for use by the Village of Barrington Fire Department:

NOW, THEREFORE BE IT ORDAINED, by the President and Board of Trustees of the Village of Barrington, Cook and Lake Counties, Illinois, in exercise of the authority of this Village as a Home Rule unit, as follows that:

SECTION 1: The Corporate Authorities of the Village hereby find that the facts set forth in this Ordinance are true and correct, and such recitals are incorporated herein by reference as the findings of the Corporate Authorities as if fully set forth herein.

SECTION 2: The Corporate Authorities of the Village do hereby approve and accept the Quotation dated January 3, 2025 received from Air One Equipment, Inc., 360 Production Drive, South Elgin, IL 60177 ("Air One") for the Village's purchase of all of the equipment as specified on said Air One Quotation, including but not limited to one (1) MAKO Model BAM06HE3 Breathing Air Module Compressor with an air cooled compressor, and MK2C purification system with a related MAKO CO monitoring system, a related 2-position SCFS2 containment fill station, upgraded to an SSCFS model certified for 5500 PSI SCBA containment, with gauges, filling whips, high-pressure regulator, a four-cylinder DOT 6000 PSI cascade system, including freight charges, delivery, and installation of the complete system, which equipment is more fully described on the Air One Quotation, for a total not-to-exceed cost of $56,690.00, which cost includes the Village's trade-in and removal of the existing air compressor and installation of a

three inch (3") fresh air intake and NFPA 1989 CO Monitor (collectively referred to herein as the "new Breathing Air Module Compressor and Related Equipment"), all pursuant to and as more specifically set forth on the Air One Quotation dated January 3, 2025, a copy of which Quotation is attached hereto as Exhibit A and thereby made a part thereof.

SECTION 3: The Corporate Authorities of the Village hereby authorize the Village President, or her designee, to execute said Air One Quotation dated January 3, 2025, and the Village Clerk is authorized to attest thereto and deliver to Air One Equipment, Inc., 360 Production Drive, South Elgin, IL 60177, a copy of the executed Quotation dated January 3, 2025, a copy of which Quotation is attached hereto as Exhibit A and thereby made a part hereof, and to otherwise take all the necessary and appropriate actions, and to do all things necessary and essential, including but not limited to the execution and delivery of any other documents, in order to implement the Village's purchase of the aforesaid Breathing Air Module Compressor and Related Equipment as herein authorized, waiving any and all requirements for competitive bidding otherwise required by law and/or pursuant to Section 1-6A-6 of the Barrington Village Code.

SECTION 4: This Ordinance shall take effect from and after its passage and approval as provided by law.
