This Contract calls for the construction of a "public work", within the meaning of the Illinois Prevailing Wage Act, 820 ILCS 130/.01, et seq. ("the Act"). The Act requires contractors and subcontractors to pay laborers, workers and mechanics performing work on public works projects no less than the current "prevailing rate of wages" (hourly cash wages plus amount for fringe benefits) in the county where the work is performed. The Illinois Department of Labor ("IDOL") publishes the prevailing wage rates on its website at http://labor.illinois.gov/. The IDOL revises the prevailing wage rates and the contractor/subcontractor has an obligation to check the IDOL's website for revisions to prevailing wage rates. For information regarding current prevailing wage rates, please refer to the IDOL website. 9. Venue and Choice of Law: The parties herein agree that the venue for any and all disputes shall solely be in the county in which the Village's Village Hall is located. This Contract and all other Contract Documents shall be construed, interpreted, and governed in accordance with the laws of the State of Illinois.

10. Nonassignability: The Contractor/Vendor shall not assign this Contract, or any part thereof, to any other person, firm, or corporation without the prior written consent of the Village, and in no case shall such consent relieve the Contractor/Vendor or its surety from the obligations herein entered into by the same or change the terms of this Contract.

11. Notices: All notices required by the Contract Documents shall be given in writing and shall be served by one party to the other party via email (effective when transmitted), facsimile (effective when transmitted), personal delivery (effective when delivered), commercial overnight delivery (effective when delivered), or by mail (effective when mailed).

12. Warranty and Guarantee: In addition to all other terms, conditions, and representations made in the Contract Documents, the Contractor agrees that, in addition to any manufacturer's warranty(ies) on the 2025 Asphalt Removal and Replacement Project, including but not limited to any materials, workmanship, parts and/or equipment to be supplied pursuant to the Contract Documents, the Contractor shall warrant and guarantee the Work in its entirety, including but not limited to all parts, labor, materials, workmanship, and equipment furnished and work performed included in and/or related to the 2025 Asphalt Removal and Replacement Project for a period of two (2) years from the date of delivery to and acceptance by the Village of the Work, which guarantee and warranty shall be in addition to any manufacturer's guarantees and/or warranties. The Contractor warrants and guarantees that for a period of two (2) years from the date of delivery to and acceptance by the Village of the Work that the completed Work shall be free from all defects due to faulty equipment, materials and/or workmanship, and/or because any portion(s) of the Work does not comply with the Contract Documents, all as shall be determined solely by the Village, and the Contractor shall promptly correct, repair, and/or replace any and all such equipment, materials, and/or Work which has been determined by the Village to be defective, deficient, and/or not in compliance with the Contract Documents. The Village shall give notice to the Contractor of observed defects with reasonable promptness. In the event that the Contractor should fail to make such correction(s), repair(s),

replacement(s), or other work that the Village has determined to be necessary as a result of such defects and/or deficiencies, and/or non-compliance with the Contract Documents (the "remedial work"), the Village may do so and the Contractor shall be liable for all damages as provided by law, including but not limited to any costs incurred by the Village for any such remedial work.

13. Severability: In the event any section, subsection, paragraph, sentence, clause, phrase or provision of this instrument or part thereof shall be deemed unlawful, invalid, unenforceable or ineffective by any court of competent jurisdiction, such decision shall not affect the validity, enforceability or effectiveness of the remaining portions of this instrument.

14. Facsimile or PDF Signatures: Facsimile or digital signatures shall be sufficient for purposes of executing, negotiating, and finalizing this Contract, and this Contract shall be deemed delivered as if containing original signatures if such delivery is made by emailing a PDF of a scanned copy of the original, hand-signed document, and/or by use of an established electronic security procedure mutually agreed upon in writing by the Parties.

15. Counterparts: This Agreement may be executed in one or more counterparts, which counterparts when affixed together, shall constitute one and the same original document.

16. No Third Party Beneficiaries: The parties do not intend to confer any benefit hereunder on any person, firm or corporation other than the parties hereto.

Information provided by Bidders in this regard will allow the Village of Glenview to take appropriate measures to ensure the fairness of the bidding process.

The Village of Glenview requires all bidders to submit a certification, enclosed with this bid packet, that the bidder has conducted the appropriate investigation and disclosed all potential or actual conflicts of interest.

The nature of each exception shall be fully explained. Bidders are cautioned that any exceptions to these specifications may be cause for rejection of the bid.

Should a Bidder submit a bid where any exception is not clearly marked, described and explained, the Municipalities will consider the bid to be in strict compliance with these specifications. If then awarded an agreement, the successful Bidder shall comply with all requirements in accordance with these specifications.

The Municipalities shall examine the bids to determine the validity of any written requests for nondisclosure of trade secrets and other proprietary data identified. After award of the agreement, all responses, documents, and materials submitted by the Bidder pertaining to this RFB will be considered public information and will be made available for inspection, unless otherwise determined by the Municipalities. All data, documentation and innovations developed as a result of these contractual services shall become the property of the Village of Glenview.
