Addendum to Contract

This Addendum shall constitute an integral part of the Contract dated June 2nd, 2025, from (the "Contractor/Vendor") approved by the Village of Barrington ("the Village") for the following Project: 2025 ROAD PROGRAM (the "Project") and shall also constitute an integral part of any other contract documents to which it is affixed, and to the extent this Addendum is inconsistent with such other document(s), this Addendum shall prevail and control. Said Contract this Addendum, the "General Contract Conditions and Special Provisions", together with any other contract documents relative to the Project, are and shall collectively constitute and shall be referred to herein as "the Contract" or as "the Contract Documents".

1. **Acceptance of Contract**. This Addendum is part of the Village's offer to purchase the goods and/or services described on the contract documents from the Contractor/Vendor. The Village's approval hereof is expressly conditioned upon the acceptance by the Contractor/Vendor of all the terms and conditions of purchase contained on or attached to this Addendum. The Contractor/Vendor agrees to furnish all materials, supplies, tools, equipment, labor, and other services necessary to commence and complete the Work as described on the Contract (hereinafter sometimes collectively referred to as the "Work") in accordance with the terms and conditions stated herein, all of which are made a part hereof by reference.

2. **Payment**. The Village complies with the Illinois Local Government Prompt Payment Act (50 ILCS 505/l, et seq.) which states that any bills approved for payment shall be paid within thirty (30) days after date of approval. When cash discounts are offered, the discount period shall begin with the invoice date or delivery date to the Village, whichever is later. For and in consideration of payments in the amounts, manner and time as provided in the Contract, the Contractor/Vendor, at its own cost and expense, shall do all the Work, furnish all materials and all labor necessary to complete the Work in accordance with the Contract described herein and in full compliance with all of the terms and conditions of the Contract. All applications for progress payments from the Contractor/Vendor shall be submitted to the Village not less than fourteen (14) calendar days prior to the second Monday of each month, and not more than one (1) application for a progress payment shall be submitted in any calendar month. All applications for progress payments shall include copies of all relevant and fully completed lien waivers and a Sworn Statement of the Contractor/Vendor when submitted to the Village for review. Notwithstanding anything otherwise contained in the Contract to the contrary, not less than ten percent (10%) of each approved payment request, including any mobilization fee, if any, shall be retained by the Village until the time of Substantial Completion, at which time said retainage amounts shall be reduced (by 50%) to 5% and said 5% retainage shall be released to the Contractor/Vendor upon the final completion by the Contractor/Vendor of all punch list items as identified by the Village. Notwithstanding any other provision in any contract document, the Village shall not, in any manner, be deemed or intended to have waived any claim by making a final payment or a progress payment of any amount.

3. **Permits and Licenses**. The Contractor/Vendor shall obtain, at its own expense, all permits and licenses which may be required to complete the related Contract and the Work contemplated therein.

4. **Insurance**.

A. Prior to Commencement of Work:

(i) Prior to commencement of any Work under the Contract Documents, Contractor/Vendor shall supply to the Village certificates of insurance as specified below, provided, however, these insurance requirements shall not be applicable to any Contract which is only for the purchase of goods by the Village, but which does not include the installation thereof by the Contractor/Vendor. Contractor/Vendor shall not start the Work under the related Contract until Contractor/Vendor has obtained all insurance required under this Paragraph 12, and all such insurance coverage has been obtained and approved by the Village Manager, or his designee.

(ii) Minimum Scope of Insurance:
Coverage shall be at least as broad as Insurance Services Office ("ISO") Commercial General Liability occurrence form CG 00 01 04 13 with the "Village of Barrington and its officers, officials, employees, agents and volunteers" named as additional insureds on a primary and non-contributory basis. This primary, non-contributory additional insured coverage shall be confirmed through the following required policy endorsements: ISO Additional Insured Endorsement CG 20 10 04 13 or CG 20 26 04 13, and CG 20 01 04 13.
☐ If this box is checked, a Completed Operations Endorsement (CG 20 37 04 13) is also required.

B. Insurance Required: The Contractor/Vendor shall procure and maintain, for the duration of the Contract, insurance against claims for injuries to persons or damage to property, which may arise from or in connection with the performance of the Work hereunder by the Contractor, its employees, subcontractors, and other agents, and:

Any insurance or self-insurance maintained by the Village of Barrington and/or on behalf of its officers, officials, employees, agents and/or volunteers shall be excess of Contractor/Vendor's insurance and shall not contribute with it.

(e) The Contractor/Vendor's insurance shall contain a Severability of Interests/Cross-Liability clause or language stating that Contractor/Vendor's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

(f) If any commercial general liability insurance is being provided under an excess or umbrella liability policy that does not "follow form", then the Contractor/Vendor shall be required to name the "Village of Barrington, and its officers, officials, employees, agents and volunteers" as additional insureds.

(g) All general liability coverages shall be provided on an occurrence policy form. Claims-made general liability policies will not be accepted.

(h) The Contractor/Vendor and all subcontractors hereby agree to waive any limitation as to the amount of contribution recoverable against them by the Village of Barrington, and/or by its officers, officials, employees, agents and/or its volunteers. The Village does not, in any way, represent that the coverages or limits of insurance specified is sufficient or adequate to protect the Village, the Contractor/Vendor, or any subcontractor's interest or liabilities, but are merely required minimums. The obligation of the Contractor/Vendor and every subcontractor of any tier to purchase insurance shall not, in any way, limit their obligations to the Village in the event that the Village should suffer an injury or loss in excess of the amount recoverable through insurance, or any loss or portion of the loss which is not covered by either the insurance of the Contractor/Vendor or any subcontractor's insurance.

M. Notice of Bodily Injury or Property Damage: The Contractor/Vendor shall notify the Village, in writing, of any actual or possible claim for personal injury or property damage relating to the Work, or of any occurrence which might give rise to such claim, promptly upon obtaining first knowledge of same.

The Act requires the Contractor/Vendor and all subcontractors to pay laborers, workers and mechanics performing services on public works projects no less than the current "prevailing rate of wages" (hourly cash wages plus amount for fringe benefits) in the county where the work is performed. The Illinois Department of Labor ("IDOL") publishes the prevailing wage rates on its website at: http://labor.illinois.gov/. The IDOL revises the prevailing wage rates and the Contractor/Vendor and all subcontractors have an obligation to check the IDOL website for revisions to prevailing wage rates. For information regarding current prevailing wage rates, please refer to the Illinois Department of Labor's website. The Contractor/Vendor and all subcontractors rendering services under this Contract must comply with all requirements of the Act, including but not limited to, all wage requirements and notice and record keeping duties. Not less than the Prevailing Rate of Wages as found by the Village or by the Illinois Department of Labor pursuant to the Illinois Prevailing Wage Act (820 ILCS 130/I, et seq.), or as determined by a court on review, shall be paid to laborers, workers, and mechanics performing work on the Project. Without any limitation on the generality on the foregoing, the Contractor/Vendor and/or each subcontractor shall while performing the Work, comply with the Illinois Prevailing Wage Act, including but not limited to the following: The Contractor/Vendor and each subcontractor shall (1) keep for a period of not less than five (5) years from the date of the last payment records of all workers employed by them on the project, including each worker's name, address, telephone number, social security number, classification(s), the hourly wages paid in each pay period, the number of hours worked each day, and the starting and ending times of work each day, (2) submit to the Village not less than monthly a certified payroll (IDOL form), consisting of a complete copy of the aforesaid records, accompanied by an affidavit (IDOL form) signed by the Contractor/Vendor or subcontractor affirming that such records are true and accurate, that the hourly rate(s) paid to each worker is not less than the general prevailing rate for each respective position, and that the Contractor/Vendor or subcontractor is aware that filing a certified payroll that he or she knows to be false is a Class B misdemeanor, and (3) upon two (2) business days' notice, make such records available for inspection by the Village. The Contractor/Vendor shall also pay prevailing wages at rates not less than those prevailing under Davis-Bacon Wage Act Provisions as determined by the U.S. Department of Labor to all laborers, workmen and mechanics performing work under this Contract, if such Act is applicable, and, in such event, the more restrictive (i.e., higher) prevailing wage requirements shall be applicable.

12. Standard Specifications:

A. All Work performed by Contractor/Vendor that is associated with the fulfillment of this Addendum and/or the related Purchaser Order/Contract shall conform to the terms of the latest edition of the Illinois Department of Transportation Standard Specifications for Road and Bridge Construction where this document is otherwise silent. The applicable Standard Specifications, as herein specified, shall apply to all work and materials performed under this Contract unless revised by the Specifications, also herein included as part of the Contract Documents.

B. Throughout the course of the Project, the Contractor/Vendor shall be responsible for the maintenance of traffic through and around the zone of work consistent with Section 701 of the IDOT Standard Specifications for Road and Bridge Construction.

C. All traffic control measures employed during the term of this contract shall be in accordance with the applicable sections of the IDOT Standard Specifications, the Supplemental Specifications, and the "Illinois Manual Uniform Traffic Control Devices for Streets and Highways".

13. Project Documentation: Upon execution of this Addendum relative to the Project, notwithstanding anything contained in any other Contract Documents to the contrary, the Contractor/Vendor and its subcontractors agree to and shall release to the Village any and all right, title, and interest in and to any and all Project Documentation depicting, documenting and/or recording the Project and/or the Work which is the subject of this Addendum and the related Contract Documents, including but not limited to any and all drawings, plans, specifications, photos, reports, videos, and/or other recordings on any electronic media (sometimes collectively referred to as "Project Documentation"), and any and all of such Project Documentation shall become the sole property of the Village. The Contractor/Vendor, and its subcontractors, further warrant to the Village that they have the legal right to convey said Project Documentation to the Village. The Work contemplated by this Addendum and the related Contract Documents shall not be considered complete until and unless legible and complete physical and electronic copies of all such Project Documentation has been delivered to the Village. The Village may reuse Project Documentation without the prior written authorization of the Contractor/Vendor, but the Village agrees to waive any claim against the Contractor/Vendor arising from any unauthorized reuse or modification of the Project Documentation.

14. Contractor/Vendor is an Independent Contractor: It is mutually understood and agreed that the Contractor/Vendor shall have full control of the ways and means of performing the Work referred to above and/or which is the subject of this Addendum and the related Contract and that the Contractor/Vendor or his/its employees, representatives or subcontractors are in no sense employees of the Village, it being specifically agreed that in respect to the Village, the Contractor/Vendor and any party employed by the Contractor/Vendor bears the relationship to the Village of an independent contractor.

15. Dates of Commencement and Completion: The Work to be performed under the Contract shall commence no later than the issuance by the Village of the Notice to Proceed (hereinafter the "Commencement Date"), and shall be completed no later than Friday, August 15, 2025 (hereinafter the "Completion Date"), barring only Acts of God, due to which the Completion Date may be modified in writing by the Village. If the Contractor/Vendor fails to complete the Work by the Completion Date, the Village shall thereafter have the right to have the Work completed by another independent contractor, and in such event, the Village shall have the right to deduct the cost of such completion so incurred by the Village from payments otherwise due to the Contractor/Vendor for the Work.

16. Permitted Hours of Work: No construction, demolition, alteration and/or site development operations shall be carried on or permitted and/or allowed to be carried on other than during the hours of seven o'clock (7:00) A.M. to seven o'clock (7:00) P.M. on Monday through Friday, and during the hours of eight o'clock (8:00) AM. to six o'clock (6:00) P.M. on Saturday and Sunday.

17. Restoration of Work Site: The Contractor/Vendor shall be obligated to remove all debris from the Work site at the Contractor's/Vendor's expense. The Contractor/Vendor shall, at its sole cost and expense, as part of the Work required by this Addendum and the related Contract, replace and restore any grass, vegetation or plantings disturbed or removed by the Contractor/Vendor, to their condition before the performance of the Work, and such removal shall only occur after approval in advance in writing by the Village's designee. Without limiting the generality of the foregoing, the Contractor/Vendor shall be obligated to: (1) re-grade and re-seed the ground surface, (2) replace any damaged vegetation, other than

trees and bushes removed pursuant to the authority of the Village's designee, with new plantings of good health and quality with species consistent with the recommendation of the Village's designee, and (3) repair any damage to any paved surfaces disturbed by the Work. While the Work is in progress and until all required restoration work is completed, the Contractor/Vendor shall comply with customary and usual initial erosion practices consistent with good engineering procedures and the requirements of all applicable ordinances.

18. Right to Hire Others: The Village retains the right to hire another independent contractor to fulfill any obligations of this Addendum and the related Contract which it deems not completed or not adequately performed by Contractor/Vendor.

19. Right to Alter Plans Reserved: The Village reserves the right to alter the plans, extend or shorten the improvements, add to the Work as may be necessary, and increase or decrease the quantities of the Work, including the deduction or cancellation of any one or more of the unit price items, or the cancellation of the Contract.

20. Venue and Choice of Law: The parties herein agree that the venue for any and all disputes shall solely be in the county in which the Village's Village Hall is located. This Addendum and the related Contract and all other contract documents shall be construed and interpreted in accordance with the laws of the State of Illinois.

21. Arbitration Deleted from Contract Documents; No Attorneys' Fees: Any provision in the Contract and any other contract documents referring to the submission of claims or disputes to arbitration shall herein be deleted. Notwithstanding anything contained in the Contract and any other contract documents to the contrary, it is the intent of the parties that arbitration is a remedy which shall not exist under the Contract and any other contract documents, and no party shall be entitled to recover attorneys' fees or court costs in any action to enforce or interpret this Addendum and the related Contract.

22. Non-assignability: The Contractor/Vendor shall not assign this Contract, or any part thereof, to any other person firm, or corporation without the prior written consent of the Village, and in no case shall such consent relieve the Contractor/Vendor or its surety from the obligations herein entered into by the same or change the terms of this Addendum and the related Contract.

23. Advertisement: The Contractor/Vendor is specifically denied the right to use in any form or medium the name of the Village for public advertising unless express permission is granted by the Village.

24. Amendments: No agreement or understanding to modify this Addendum or the related Contract shall be binding upon the Village unless in writing and signed by the Village's authorized agent. All specifications, drawings, and data submitted to the Contractor/Vendor with this Addendum or the related Contract are hereby incorporated and made part thereof.

25. Termination: The following shall constitute events of default under this Addendum and the related Contract: a) any material misrepresentation made by the Contractor/Vendor to the Village, b) any failure by the Contractor/Vendor to perform any of its obligations under this Addendum and the related Contract including, but not limited to, the following: (i) failure to commence performance of this Addendum and the related Contract at the time specified in the Contract due to a reason or circumstance within the reasonable control of the Contractor/Vendor, (ii) failure to perform this Addendum and the related Contract with sufficient personnel and equipment or with sufficient material to ensure the completion of

this Contract within the specified time due (i.e., by the Completion Date) to a reason or circumstance within the Contractor's/Vendor's reasonable control, (iii) failure to perform this Addendum and the related Contract in a manner reasonably satisfactory to the Village, (iv) failure to promptly re-perform within reasonable time the services that were rejected by the Village as erroneous or unsatisfactory, (v) failure to comply with a material term of this Addendum and the related Contract, (vi) failure of the Contractor/Vendor to completely furnish the contracted goods or services to the Village within the time period specified by the Contract Documents; and (vii) any other acts specifically and expressly stated in this Addendum and the related Contract as constituting a basis for termination for cause. At least ten (10) days prior to the date that the Contractor/Vendor shall be declared in default of the Contract, the Village shall give written notice by certified mail to the Contractor/Vendor. This notice shall state the reasons that the Contractor/Vendor is being declared in default of the Contract. Failure by the Contractor/Vendor to correct the stated deficiencies within the notice period shall result in the Contractor/Vendor being declared in default of the Contract. Issuance of the notice by the Village shall be an indication of the intentions of the Village to take the work out of the hands of the Contractor/Vendor and to hire others to complete the defaulted work. The cost of fully completing all the work and all expense of every kind incurred by the Village in completing the Contract shall be charged to the Contractor/Vendor and shall be deducted and paid by the Village out of such monies as may be due or may become due to said Contractor/Vendor. The Village may also terminate this Addendum and the related Contract for its convenience upon ten (10) days prior written notice to the Contractor/Vendor.

26. **Notices**: All notices required by the Contract Documents shall be given in writing.

27. **Supersede**: The terms, conditions and specifications set forth herein shall supersede, govern, and prevail over any inconsistent terms, conditions, and/or specifications on any other contract documents.

28. **Entire Agreement**: The Contract Documents (including all Exhibits attached thereto which by reference are made a part of the Agreement) and all other written agreements signed by all of the parties hereto which by their express terms are a part of the Contract Documents, are the final expression of, and contain the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior understandings with respect thereto. The Contract Documents may not be modified, changed, supplemented or terminated, nor may any obligations hereunder be waived, except by written instrument signed by the party charged or by its agent duly authorized in writing or as otherwise expressly permitted herein. The parties do not intend to confer any benefit hereunder on any person, firm or corporation other than the parties hereto.

1. **Debt Delinquency.** The bidder or contractor or subcontractor, respectively, certifies that it is not delinquent in the payment of any tax administered by the Department of Revenue unless the individual or other entity is contesting, in accordance with the procedure established by the appropriate Revenue Act, its liability for the tax or the amount of the tax. Making a false statement voids the contract and allows the Department to recover all amounts paid to the individual or entity under the contract in a civil action.

2. **Bid-Rigging or Bid Rotating.** The bidder or contractor or subcontractor, respectively, certifies that it is not barred from contracting with the Department by reason of a violation of either 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4.

   A violation of section 33E-3 would be represented by a conviction of the crime of bid-rigging which, in addition to Class 3 felony sentencing, provides that any person convicted of this offense, or any similar offense of any state or the United States which contains the same elements as this offense shall be barred for 5 years from the date of conviction from contracting with any unit of State or local government. No corporation shall be barred from contracting with any unit of State or local government as a result of a conviction under this Section of any employee or agent of such corporation if the employee so convicted is no longer employed by the corporation: (1) it has been finally adjudicated not guilty or (2) if it demonstrates to the governmental entity with which it seeks to contract that entity finds that the commission of the offense was neither authorized, requested, commanded, nor performed by a director, officer or a high managerial agent on behalf of the corporation.

   A violation of Section 33E-4 would be represented by a conviction of the crime of bid-rotating which, in addition to Class 2 felony sentencing, provides that any person convicted of this offense or any similar offense of any state or the United States which contains the same elements as this offense shall be permanently barred from contracting with any unit of State of Local government. No corporation shall be barred from contracting with any unit of State or Local government as a result of a conviction under this Section of any employee or agent of such corporation if the employee so convicted is no longer employed by the corporation and: (1) it has been finally adjudicated not guilty or (2) if it demonstrates to the governmental entity with which it seeks to contract and that entity finds that the commission of the offense was neither authorized, requested, commanded, nor performed by a director, officer or a high managerial agent on behalf of the corporation.

3. **Bribery.** The bidder or contractor or subcontractor, respectively, certifies that, it has not been convicted of bribery or attempting to bribe an officer or employee of the State of Illinois or any unit of local government, nor has the firm made an admission of guilt of such conduct which is a matter or record, nor has an official, agent, or employee of the firm committed bribery or attempted bribery on behalf of the firm and pursuant to the direction or authorization of a responsible official of the firm.
