ORDINANCE NO. 2025-4537

ORDINANCE APPROVING AND AUTHORIZING THE PURCHASE FROM CDW-G OF NEW MOBILE DATA TERMINALS AND OTHER RELATED EQUIPMENT FOR USE BY THE VILLAGE OF BARRINGTON POLICE DEPARTMENT

WHEREAS, the Corporate Authorities of the Village of Barrington (hereinafter sometimes referred to as the "Village"), Cook and Lake Counties, Illinois have determined that the Mobile Data Terminals used by the Barrington Police Department are at the end of their service life and currently run Windows 10, which is approaching its end-of-support term in October, 2025, at which time security updates will no longer be provided by Microsoft, which would leave the current devices vulnerable and not in compliance with Village and State cybersecurity policies, including but not limited to the Criminal Justice Information Services ("CJIS") compliance requirements, and that, as a result of the hardware limitations of the existing Terminals, those Terminals cannot be upgraded to run Windows 11, and, therefore, it is necessary and advisable to purchase ten (10) new Mobile Data Terminals and related equipment for use by the Barrington Police Department in order to maintain compliance and security; and

WHEREAS, the Village has requested and received quotes from two (2) different providers for the purchase of ten (10) new Mobile Data Terminals ("MDT") and has found that the quote received from Getac was approximately $1,000.00 higher per MDT than the quote received from CDW Government; and

WHEREAS, the Corporate Authorities of the Village have determined that it is in the best interests of the Village to waive competitive bidding and accept the quote received from CDW Government, 75 Remittance Drive, Suite 1515, Chicago, IL 60675-1515 (the "Contractor/Vendor" or "CDW-G") for the Village's purchase of ten (10) new DT Research Rugged Tablets (Model DT340T), DT Research Wall Vehicle mounted docking cradles, adapters, including delivery, as well as a three (3) year service warranty (hereinafter sometimes collectively referred to as the "Goods"), all as specifically set forth on the Contractor/Vendor's Quotation No. PLPM141 dated June 2, 2025, for a total not-to-exceed cost of $29,606.80 (the "CDW-G Quote") pursuant to and as more specifically set forth on the CDW-G Quote, in substantially the form attached hereto as Exhibit A and thereby made a part hereof; and

WHEREAS, the Corporate Authorities of the Village have determined that it is in the best interests of the Village and its residents to approve the CDW-G Quote and award a contract to CDW-G for the Village's purchase of the Goods as more fully set forth on the CDW-G Quote for a not-to-exceed total cost of $29,606.80:

NOW, THEREFORE, BE IT ORDAINED by the President and Board of Trustees of the Village of Barrington, Cook and Lake Counties, Illinois in exercise of the authority of this Village as a Home Rule unit, as follows:

SECTION 1: The Corporate Authorities of the Village find that the facts set forth in the preamble to this Ordinance are true and correct and the same are hereby incorporated herein by reference as the findings of fact of the Corporate Authorities.

SECTION 2: The Corporate Authorities of the Village hereby approve the Village's purchase of the aforesaid ten (10) new Mobile Data Terminals and related equipment as specifically set forth on the CDW-G Quote, including delivery, and a three (3) year warranty (the "Goods") for use by the Barrington Police Department and accept the quote received from CDW-G dated June 2, 2025 for a total

not-to-exceed cost of $29,606.80 (the "CDW-G Quote") for the sale and delivery to the Village of the Goods, consistent with the terms, conditions, and specifications set forth in this Ordinance and the following Contract Documents:

Exhibit A-1: CDW-G Quote dated June 2, 2025 at a total not-to-exceed cost of $29,606.80
Exhibit A-2: CDW-G Terms and Conditions

which Contract Documents shall be in substantially the form attached hereto as Group Exhibit A and thereby made a part hereof (all collectively referred to herein as the "Contract" or the "Contract Documents"), without advertising for bids and waiving any and all requirements for competitive bidding otherwise required by law, and said Contract Documents are hereby specifically authorized, ratified and approved by the Corporate Authorities of the Village pursuant to Section 1-6A-6 of the Barrington Village Code.

SECTION 3: The Village President, or his designee, is hereby authorized to execute and the Village Clerk is hereby authorized and directed to attest and to deliver to CDW-G an executed copy of the Contract Documents in accordance with the provisions of this Ordinance and the related Contract Documents, which are attached hereto as Group Exhibit A and thereby made a part hereof, and to do all things necessary and essential including the execution and delivery of any other documents and certificates to implement the Contract herein authorized.

SECTION 4: This Ordinance shall be in full force and effect from and after its passage and approval as provided by law.

Why finance?

- Lower Upfront Costs. Get the products you need without impacting cash flow. Preserve your working capital and existing credit line.
- Flexible Payment Terms. 100% financing with no money down, payment deferrals and payment schedules that match your company's business cycles.
- Predictable, Low Monthly Payments. Pay over time. Lease payments are fixed and can be tailored to your budget levels or revenue streams.
- Technology Refresh. Keep current technology with minimal financial impact or risk. Add-on or upgrade during the lease term and choose to return or purchase the equipment at end of lease.
- Bundle Costs. You can combine hardware, software, and services into a single transaction and pay for your software licenses over time! We know your challenges and understand the need for flexibility.

General Terms and Conditions:

This quote is not legally binding and is for discussion purposes only. The rates are estimate only and are based on a collection of industry data from numerous sources. All rates and financial quotes are subject to final review, approval, and documentation by our leasing partners. Payments above exclude all applicable taxes. Financing is subject to credit approval and review of final equipment and services configuration. Fair Market Value leases are structured with the assumption that the equipment has a residual value at the end of the lease term.
