Ordinance No. 2025- 4563

ORDINANCE AUTHORIZING AND APPROVING A CONTRACT WITH MORTON SALT FOR THE PURCHASE OF ROCK SALT FOR THE 2025/2026 SNOW AND ICE SEASON

WHEREAS, pursuant to the authority of an act authorizing certain governmental units to purchase personal property, supplies, and services jointly, 30 ILCS 525/0.01, et seq., the Lake County, Illinois, Department of Transportation ("LCDOT") has awarded a contract to Morton Salt (the successful bidder among competitive bids received by the LCDOT) to provide rock salt to participating units of government for the 2025/2026 Snow and Ice Season at a price of $95.33 per ton; and

WHEREAS, the Village has budgeted, or will hereafter budget, funds for the purchase of rock salt for the 2025/2026 Snow and Ice Season as hereby authorized; and

WHEREAS, the Village of Barrington, Cook and Lake Counties, Illinois (the "Village") is eligible to and desires to participate in this joint purchasing program authorized by law as hereinabove provided:

NOW, THEREFORE, BE IT ORDAINED by the President and Board of Trustees of the Village of Barrington, Cook and Lake Counties, Illinois, in exercise of the authority of this Village as a Home Rule unit, as follows, that:

SECTION 1: The Corporate Authorities of the Village find that the facts set forth in the preamble to this Ordinance are true and correct and the same are incorporated into the text of this Ordinance as its findings of fact to the same extent as if each had been set forth in its entirety herein.

SECTION 2: The Corporate Authorities of the Village of Barrington hereby find that it is in the best interests of the residents of the Village that the Village participate in the aforesaid LCDOT rock salt joint purchasing program.

SECTION 3: The Village of Barrington hereby awards a contract for the purchase of up to 500 tons of rock salt for the 2025/2026 Snow and Ice Season to Morton Salt (the successful bidder among competitive bids received by the LCDOT at a price of $95.33 per ton as the price for the rock salt as delivered to the Village, provided that the cost for the aggregate amount of rock salt purchased shall not exceed $47,665.00, and further provided that the Village Manager, or his designee, is hereby also authorized, without further action or additional authorization of the Corporate Authorities, to execute an additional contract extension or place an additional order with Morton Salt for not to exceed an additional 100 tons of rock salt (i.e., 20% of the 500 ton base order for the 2025/2026 season), said LCDOT contract providing for an 80% minimum purchase requirement and allowing a 120% maximum purchase.

SECTION 4: The Corporate Authorities hereby approve and direct the execution and approval of said contract pursuant to Section 1-6A-6 of the Barrington Village Code, and the Village Manager, or his designee, is hereby authorized and directed on behalf of the Village to execute and deliver one or more contract(s) and/or contract extensions for the purchase of rock salt as herein provided and to execute any other required documents for such purchase.

SECTION 5: This Ordinance shall be in full force and effect from and after its passage and approval as provided by law.

If this bid is accepted within 45 days from the date of opening, the undersigned agrees to furnish or to deliver & install any or all of the materials, at the quoted unit prices, subject to the following:

1. It is understood and agreed that the "Standard Specifications for Road and Bridge Construction", adopted 01/01/22 and the "Supplemental Specifications and Recurring Special Provisions", adopted 01/01/24, prepared by the Department of Transportation, shall govern insofar as they may be applied and insofar as they do not conflict with the special provision and supplemental specifications attached hereto.

2. It is understood that quantities listed are approximate only and that they may be increased or decrease as may be needed to properly complete the improvement within its present limits or extensions thereto, at the unit prices stated and that bids will be compared on the basis of total price bid for each group.

3. Delivery in total or partial shipments as ordered shall be made within the time specified in the special provisions or by the acceptance at the point and in the manner specified in the "Schedule of Prices". If delivery on the job site is specified, it shall mean any place or paces on the road designed by the awarding authority or its authorized representative.

4. The contractor and/or local public agency performing the actual material placement operations shall be responsible for providing work zone traffic control, unless otherwise specified in this proposal. Such devices shall meet the requirements of and be installed in accordance with applicable provisions of the "Illinois Manual on Uniform Traffic Control Devices" and any referenced Illinois Highway Standards.

The information is prepopulated from your registration. For construction projects requiring IDOT Prequalification, select the blue link just above your information to attach the latest copy of your prequalification form.

To submit select the green Submit button. This will generate an e-mail to LCDOT requesting the authorization. Upon approval/disapproval by LCDOT an e-mail will be sent to the Contractor/Supplier with the decision.

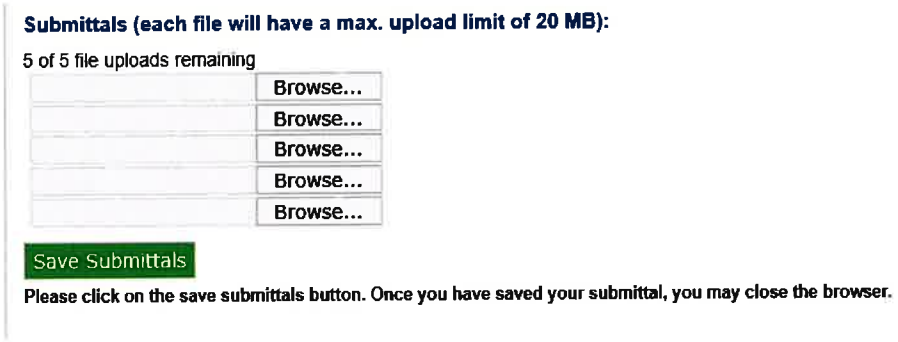
Prequalification of Bidders:

☐ IDOT Prequalification is required – The provisions of LRS6 and/or LRS7 requiring Bidder Prequalification are applicable to this proposal – attach your IDOT prequalification form to Request for Authorization to Bid submittal.

☒ IDOT Prequalification is not required - The provisions of LRS6 and/or LRS7 requiring Bidder Prequalification are not applicable to this proposal. Bidders do not need to be prequalified with IDOT or attach a prequalification form.

Bid Proposals: Proposals submitted without securing an "Authorization to Bid" will be considered non-responsive, and the bid will not be opened or considered. The unopened proposal will be returned to the Contractor.

LCDOT **does not** accept electronic bid proposals. **Do not use the Submittals** option at the bottom of the project Info page. This section is not active for LCDOT projects.



LCDOT DOES NOT ACCEPT ELECTRONIC BIDS
DO NOT USE THE SUBMITTALS OPTION

Bid proposals may be submitted via mail (US Postal Service) and/or delivery service e.g. FedEx, UPS etc. Due to COVID there is limited access to the LCDOT offices. Most of the DOT office personnel are working remotely and the front desk is not staffed. Contractors **shall not** send their bids in with a request for signature upon delivery as no one may be available to sign for the bid thereby delaying delivery.

Bid proposals may also be hand delivered to LCDOT at 600 W. Winchester Road, Libertyville, IL 60048, and placed in the Drop Box located in the window panel to the left of the main entrance doors located on the east side of the building.

It is the Contractor's responsibility to get the Bid/Proposal to LCDOT prior to the submission date and time. LCDOT is not responsible for any delays in delivery due to office staffing and/or requests for delivery receipts.

Lake County – Vendor Disclosure Statement:

All Contractors & Suppliers wishing to contract with Lake County for goods and services in an amount greater than $30,000 shall submit this form with their bid proposal.

Lake County – Vendor Certification Form:

All Contractors & Suppliers wishing to contract with Lake County for goods and services shall submit this form with their bid proposal.

CBID Spreadsheet:

In order to limit bid proposal math errors, all bids for this project **shall** be submitted using the CBID spreadsheet. The Contractor shall include in their bid proposal a hardcopy CBID printout. Proposals submitted without a hardcopy CBID printout will be rejected as nonresponsive and returned to the Contractor unread. Proposals submitted with a handwritten schedule of items will be rejected as nonresponsive and returned to the Contractor unread. A maximum of five pay items may have legible pen and ink entries/revisions to the unit and extended prices on the CBID printout to accommodate last minute supplier and subcontractor quotes. A legible pen and ink entry/revision to the project total bid will also be allowed.

To decrease LCDOT bid processing time, for projects with 25 or more pay items the Contractor shall include in their sealed bid envelope an electronic copy (CD or flash (thumb) drive) with a copy of the completed CBID. The hardcopy CBID printout will serve as the bid submission, while the electronic copy is only provided to aid in tabulating the bids. If there is a difference between the hardcopy CBID printout and the electronic copy provided, the hardcopy CBID printout shall take precedence and be used to complete the bid tabulation.

If the Contractor is bidding on more than one project for which an electronic copy of the CBID is required, the Contractor may include all the CBIDs on a single CD or flash drive. The CD or flash drive shall be clearly labeled with the Contractor's name and the project CBIDs included. The single CD or flash drive shall be submitted in the sealed bid envelope of one of the projects the Contractor is bidding on.

TAX EXEMPTION (LCDOT)

Effective: May 13, 2021

Tax Exemption:

a. Lake County is exempt from the Illinois State and municipal or county Retailers Occupation Tax, Service Occupation Tax, Use Tax, Service Use Tax, as described in Illinois Revised Statute Chapter 120. Bid prices shall not include the cost of such taxes.

b. Federal excise tax does not apply to materials or services purchased by Lake County. Should the federal excise tax be applicable to this transaction, Lake County will furnish a federal exemption certificate. The bid prices quoted herein by the Contractor/Supplier shall include all other direct or indirect federal, state, and local taxes which apply.

c. Pursuant to 86 Ill. Adm. Code 130.2076, tangible personal property that is purchased by the Contractor for incorporation into Lake County's real property pursuant to Contractor's performance of this contract shall be deemed purchased by the Contractor for Lake County and transferred by the Contractor to Lake County upon completion of this contract.

d. Contractor(s) shall forward this information to their suppliers in order that the sale of such materials and equipment be properly recorded as a tax-exempt sale. Such information shall be accompanied by a copy of the contract or Purchase Order.

e. It shall be the Contractor's sole responsibility to obtain any necessary approvals from the Illinois Department of Revenue (IDOR) to obtain any exemption from the Retailers' Occupation Tax.

CONTRACT AWARD and EXECUTION (LCDOT)

Contract Award and Execution: Award and execution of contract shall be in accordance with Section 102 of the "Standard Specifications" and the following:

Insurance certificates shall be received within five (5) days after the contract has been mailed to the bidder. Contract performance and payment bond shall be received within ten (10) days after the contract has been mailed to the bidder. The contract shall be executed by the successful bidder and returned within fifteen (15) days after the contract has been mailed to the bidder.

BID SHEET EXPLANATION: The CBID lists the Lake County Division of Transportation, the Lake County Forest Preserve District and all the local governmental units participating in this bid. The list includes the estimated rock salt quantity for each.

Suppliers will provide three separate unit prices for each government unit.

Unit Price 80% - 120%: Suppliers shall enter the unit price per ton, for ROCK SALT or ROCK SALT (ENHANCED) ordered by LCDOT and other participating local governmental units, for a minimum of 80% of the estimated usage to a maximum of 120% of the estimated usage. Lake County, and the other participating local governmental units, have committed to purchase a minimum of 80% of the estimated usage. This unit price is for orders placed for delivery **after November 1, 2024**.

Unit Price 120% - 150%: Suppliers shall enter the unit price per ton, for ROCK SALT or ROCK SALT (ENHANCED) ordered by LCDOT, and other participating local governmental units, for a quantity greater than 120% of the estimated usage and not to exceed 150% of the estimated usage. This unit price is for orders placed for delivery **after November 1, 2024**.

Unit Price Early Delivery: Suppliers shall enter the unit price for ROCK SALT or ROCK SALT (ENHANCED) per ton, ordered by LCDOT, and other participating local governmental units, for orders placed for delivery between July 15, 2024 and November 1, 2024.

Shared Services: Under the authority of 30 ILCS 525, the Governmental Joint Purchasing Act the unit prices included in the proposal may be offered to other governmental units according to the following:

> *The purchase of goods and services pursuant to the terms of this Contract shall also be offered for purchases to be made by other governmental units, as authorized by the Governmental Joint Purchasing Act, 30 ILCS 525/0.01, et seq. (the "Act"). All purchases and payments made under the Act shall be made directly by and between each governmental unit and the successful bidder. The bidder agrees that Lake County shall not be responsible in any way for purchase orders or payments made by the other governmental units. The bidder further agrees that all terms and conditions of this Contract shall continue in full force and effect as to the other governmental units during extended terms. The credit or liability of each governmental unit shall remain separate and distinct. Disputes between bidders and governmental units shall be resolved between the immediate parties.*
>
> *The bidder and the other governmental units may negotiate such other and further terms and conditions to this Contract ("Other Terms") as individual projects may require. To be effective, Other Terms shall be reduced to writing and signed by a duly authorized representative of both the successful bidder and the other governmental unit.*
>
> *The bidder shall provide the other governmental units with all required documentation set forth in the solicitation including but not limited to: performance and payment bonds, Certificates of Insurance naming the respective governmental unit as an additional insured and certified payrolls to the other governmental unit as required.*

Shared Services Bidding: For this project the Lake County Division of Transportation (LCDOT) and other specified local governmental units have joined together to solicit bids for furnishing and delivering rock salt.

The Supplier will be submitting bids for separate contracts – one for each community or unit of government. The Supplier may use the same or different unit prices for each bid.

The Lake County Division of Transportation and the local governmental units individually reserve the right to reject any or all proposals, to waive technicalities, or to advertise for new proposals, if in the judgement of each Awarding Authority, the best interests of the Awarding Authority will be promoted thereby (See LRS7).

Contracts for the LCDOT and LCFPD work will be recommended separately to the Lake County Board and Forest Preserve District Board respectively, and upon award, each will be managed independently. The bid results for the remaining local units of government will be reported to each community. Each local government unit will be independently responsible for awarding; managing; and processing payments for their own contract.

Proposal Guaranty: The Supplier shall submit a Proposal Guaranty according to the requirements of Checksheet LRS 7 *BIDDING REQUIREMENTS AND CONDITIONS FOR MATERIAL PROPOSALS* (included by reference). The bond or check shall be for a minimum of 5 percent of the "Total for Bond Only" (total of all bids) line on the CBID form.

Performance Bond: The Supplier shall within 10 days of the Notice of Award furnish a Performance Bond in an amount equal to 20% of the total bid amount for the Lake County Division of Transportation, executed by a surety company authorized to do business in the State of Illinois, conditioned upon the faithful performance of all covenants and stipulations included in these bid documents and holding good until the completion of the contract to protect Lake County. Additional individual performance bonds may be required by the other participating local governmental units, against inadequate performance per all requirements of the bid documents. The Performance Bond shall remain in effect for one year from the issuance of a Purchase Order or until completion of the contract period, whichever is longer.

ARTICLE 107.27 INSURANCE

The provisions of Article 107.27 of the "Standard Specifications" are not applicable to this proposal.

PREQUALIFICATION

The provision of LRS7 requiring Bidder Prequalification is not applicable to this proposal. Bidders do not need to be prequalified with IDOT. Prospective bidders will need to submit a "Request for Authorization to Bid" by selecting the option on the Lake County Purchasing Portal for the 2025 Patrol I Maintenance – Rock Salt project.

BULK ROCK SALT

Description: This work shall consist of furnishing and delivering bulk rock salt.

Materials: The rock salt shall meet the requirements of AASHTO specification M143, Sodium Chloride Type 1, Grade 1, and the following requirements:

- The rock salt shall not contain more than ½ pound, or less than 35 ppm of Ferric Ferrocyanide or Sodium Ferrocyanide per ton, at the delivery point.
- The maximum moisture content shall not exceed 2.5%.
- The rock salt shall be free flowing, fresh stock.
- Reclaimed or re-crushed rock salt will not be accepted.
- The rock salt shall be free of any foreign material.

Bulk rock salt not meeting the above specifications shall be subject to rejection by Lake County and/or other local governmental units.

General:

a) Deliveries of rock salt shall be free of any foreign materials e.g. mud, rocks, wood, tarpaulins, etc... Rejected loads will have the cause reported to the Supplier within two working days. Loads contaminated with foreign material will be replaced at the Supplier's expense within five working days.

b) All salt shall be as lump free as possible. No salt with lumps larger than two inches in diameter will be accepted. Loads with lumps larger than two inches shall be replaced at the Supplier's expense within five working days.

c) Lake County, and other local governmental units, reserve the right to inspect the Supplier's terminal for product and availability, verifying available quantities and condition sufficient to meet the requirements of these specifications.

Quantities: The quantities shown in this bid are estimated quantities only. The Lake County Division of Transportation and other participating local governmental units agree to purchase at least 80% of the quantities shown. If Lake County and/or the other participating local governmental units, do not utilize or order 80% of their estimated quantity by April 30, 2025 they agree to pay the Supplier for the 80%.

The unordered bulk rock salt shall be kept at a terminal by the Supplier, for delivery by November 1, 2025. This storage shall be handled at no additional charge to Lake County and/or the other participating local governmental units. Payment for the unordered bulk rock salt will be made subject to the provisions of the Local Prompt Payment Act, upon receipt of an invoice dated before November 1, 2025.

Stocking Requirements:

Within 10 days of the notice of award (issuance of purchase order) the Supplier shall submit to Lake County, and the other participating local governmental units, a list of delivery contacts including phone numbers. The Supplier shall also include an emergency contact and phone number for use if the stockpile contact is non-responsive.

Within 30 days of the notice of award (issuance of purchase order) the Supplier shall provide Lake County, and other participating local governmental units, with their salt source and local terminal information.

The Supplier shall have on hand 120% of the required quantity at a local terminal by November 1, 2024.

The Supplier shall have stockpiles of rock salt in Illinois, or near its borders, in sufficient quantities to satisfy contractual requirements.

Such stockpiles shall be near enough to delivery points to allow for timely delivery as required by contractual requirements.

Freezing of waterways and other impacts to delivery shall be reasonably anticipated by the Supplier and are not a cause to claim force majeure.

Ordering:

Orders for bulk rock salt may be placed by Lake County, and/or the other participating local governmental units, with the Supplier by June 1, 2024 with availability by July 15, 2024.

Governmental units may order up to 20% of their annual contracted tonnage in any given week which the Supplier shall deliver within seven working days. Orders for more than 20% will have an extended delivery time of one working day for each additional one percentage point ordered. For example, if a governmental unit orders 25% of their awarded total of 100 Tons, delivery of the first 20 tons, (20%) shall be within seven working days after receipt of order. The remaining 5 tons shall be delivered within twelve working days after receipt of the order.

All order releases shall be delivered to completion, unless mutually agreed upon by Lake County, other participating Local Governmental Units, and the Supplier.

All salt deliveries shall be made with trucks equipped with tailgate dump trailers.
All trucks shall be covered with an approved waterproof material.

The Supplier shall be responsible to have the delivery driver inspect the inside of the trailer and confirm that all the salt has been removed from the trailer before leaving the point of delivery.

A delivery ticket shall accompany each delivery. The delivery ticket shall be a certified scale ticket indicating gross, tare, and net weight of each truckload of rock salt. The Supplier shall ensure that all weights and measures shown on the delivery tickets are correct. The Lake County Division of Transportation, and other participating local governmental units, reserve the right to require that delivery trucks be directed to a local scale to check the accuracy of the loads being delivered.

The Supplier shall deliver the ordered quantity within plus or minus 20 tons.

The Supplier shall notify Lake County, and other participating local governmental units, the name of the trucking firm that will be delivering the salt, as well as a contact name, and the address and phone number of said trucking firm.

Delivery: Lake County Division of Transportation rock salt deliveries shall be made to the LCDOT facility at:

600 W. Winchester Road
Libertyville, IL 60048

Rock salt deliveries for the other local governmental units shall be made to listed delivery location for each included herein.

Normally rock salt deliveries shall be made between the hours of 6:30 a.m. and 3:00 p.m., Monday through Friday. Arrangements may be made for deliveries at other hours and on Saturday or Sunday, to maintain a prompt order delivery schedule. These arrangements may be made by contacting the designated point of contact listed in the Contact Information and Delivery Location table included herein.

Orders are generally expected to be received within seven working days from date of order. For an order placed prior to 9:00 A.M. on a given day, that day would be considered as the first working day of the seven day delivery period. For an order placed after 9:00 A.M. on a given day, the day following would be considered as the first working day of the seven day delivery period, or as amended by order guidelines herein.

Term: This contract shall be in effect for a one year period (December 1, 2024 – November 30, 2025). The early delivery period will not be included in the one year duration. Lake County, and other local governmental units, reserve the right to renew this contract, or any part of this contract, for an additional one year period, subject to acceptable performance by the Supplier. At the end of any contract term, Lake County reserves the right to extend this contract for a period of up to 60 days for the purpose of getting a new contract in place. For any year beyond the initial year, this contract is contingent on the appropriation of sufficient funds; no charges shall be assessed for failure of the County to appropriate funds in future contract years

A contract renewal will incorporate the same dates for subsequent years changing only the year of the date i.e. 2024 dates will become 2025 and 2025 dates will become 2026. Lake County, and other participating local governmental units, will issue individual releases for bulk rock salt. For renewal Lake County will provide the Supplier(s) with the 2026 estimated usage for LCDOT, LCFPD and the other participating governmental units, during the month of March 2025. The estimated usage for 2026 will be limited to +/- 25% of the 2025 quantities.

Escalator Provision: The unit price shall remain firm/fixed for the first year. Written requests for price revisions after the first year, shall be submitted at least 60 days in advance of the annual contract period. Requests shall be based upon and include documentation of the actual change in the costs of the components involved in the contract and shall not include overhead and profit. Changes in the contract price shall be made in the amount of the actual change in Supplier cost or the percentage change in the U.S. Average Consumer Price Index for the Midwest Urban - per category "All Items," whichever is less. Surcharges for fuel and/or other costs shall not be allowed. Manufacturer and/or Warehouse Distributor's price sheets or an equivalent document showing the new pricing may be considered sufficient documentation for a price change. **PRICE INCREASES SHALL NOT EXCEED 5.0%, FOR ANY YEAR**. The County reserves the right to reject any price increase and to terminate the contract.

Basis of Payment: This work will be paid for at the contract unit price per ton for ROCK SALT. *The unit price shall include all equipment, labor and materials required to furnish and deliver the rock salt as specified herein. The rock salt shall be bid F.O.B. Destination, with all freight and transportation charges included in the bid price. The term F.O.B. Destination shall mean delivered to a specified location. Any claim for loss or damage shall be between the Supplier and the carriers, movers, riggers, etc.., and no additional compensation will be allowed.*

Liquidated Damages: From November 1, 2024 through June 30, 2025, if the Supplier is unable to make delivery within seven working days from the date of order, Lake County, and the other participating local governmental units, shall have the right to retain $ .20 per ton, per working day from the date of the order, as liquidated damages on the undelivered portion of the order.

An order placed prior to 9:00 A.M. on any business day (Monday through Friday, except Holidays) will be considered as the first working day of the seven day delivery period. For orders placed after 9:00 A.M. on a given day, the following day would be considered the first working day of the seven day delivery period.

If 14 working days have elapsed since placement of an order and the Supplier has failed to deliver all or part of the order, Lake County, and/or the other participating local governmental units, shall reserve the right to take action to remedy the failure of Supplier performance without prior notification of such failure. This may include termination of the order and purchase of salt from other sources, or to take action consistent with public safety as needed to continue business. Any or all additional costs may be collected from the Supplier, in addition to any liquidated damages.

BULK ROCK SALT (ENHANCED) (McHenry County)

Description: This work shall consist of furnishing and delivering enhanced bulk rock salt to McHenry County DOT.

Materials: The rock salt (enhanced) shall meet the requirements of AASHTO specification M143, Sodium Chloride Type 1, Grade 1, and be enhanced with either Compass Mineral's "Thawrox" or Cargill's "Clearlane" materials or an approved equivalent enhancement.

Bulk rock salt (enhanced) not meeting the above specifications shall be subject to rejection by McHenry County DOT and/or other local governmental units.

General:

a) Deliveries of rock salt shall be free of any foreign materials e.g. mud, rocks, wood, tarpaulins, etc... Rejected loads will have the cause reported to the Supplier within two working days. Loads contaminated with foreign material will be replaced at the Supplier's expense within five working days.

b) All salt shall be as lump free as possible. No salt with lumps larger than two inches in diameter will be accepted. Loads with lumps larger than two inches shall be replaced at the Supplier's expense within five working days.

c) McHenry County, and other local governmental units, reserve the right to inspect the Supplier's terminal for product and availability, verifying available quantities and condition sufficient to meet the requirements of these specifications.

Quantities: The quantities shown in this bid are estimated quantities only. The McHenry County Division of Transportation and other participating local governmental units agree to purchase at least 80% of the quantities shown. If McHenry County and/or the other participating local governmental units, do not utilize or order 80% of their estimated quantity by April 30, 2025 they agree to pay the Supplier for the 80%.

The unordered bulk rock salt shall be kept at a terminal by the Supplier, for delivery by November 1, 2025. This storage shall be handled at no additional charge to McHenry County and/or the other participating local governmental units. Payment for the unordered bulk rock salt will be made subject to the provisions of the Local Prompt Payment Act, upon receipt of an invoice dated before November 1, 2025.

Stocking Requirements:

Within 10 days of the notice of award (issuance of purchase order) the Supplier shall submit to McHenry County, and the other participating local governmental units, a list of delivery contacts including phone numbers. The Supplier shall also include an emergency contact and phone number for use if the stockpile contact is non-responsive.

Within 30 days of the notice of award (issuance of purchase order) the Supplier shall provide McHenry County, and other participating local governmental units, with their salt source and local terminal information.

The Supplier shall have on hand 120% of the required quantity at a local terminal by November 1, 2024.

The Supplier shall have stockpiles of rock salt in Illinois, or near its borders, in sufficient quantities to satisfy contractual requirements.

Such stockpiles shall be near enough to delivery points to allow for timely delivery as required by contractual requirements.

Freezing of waterways and other impacts to delivery shall be reasonably anticipated by the Supplier and are not a cause to claim force majeure.

Ordering:

Orders for bulk rock salt may be placed by McHenry County, and/or the other participating local governmental units, with the Supplier by June 1, 2024 with availability by July 15, 2024.

Governmental units may order up to 20% of their annual contracted tonnage in any given week which the Supplier shall deliver within seven working days. Orders for more than 20% will have an extended delivery time of one working day for each additional one percentage point ordered. For example, if a governmental unit orders 25% of their awarded total of 100 Tons, delivery of the first 20 tons, (20%) shall be within seven working days after receipt of order. The remaining 5 tons shall be delivered within twelve working days after receipt of the order.

All order releases shall be delivered to completion, unless mutually agreed upon by McHenry County, other participating Local Governmental Units, and the Supplier.

All salt deliveries shall be made with trucks equipped with tailgate dump trailers. All trucks shall be covered with an approved waterproof material.

The Supplier shall be responsible to have the delivery driver inspect the inside of the trailer and confirm that all the salt has been removed from the trailer before leaving the point of delivery.

A delivery ticket shall accompany each delivery. The delivery ticket shall be a certified scale ticket indicating gross, tare, and net weight of each truckload of rock salt. The Supplier shall ensure that all weights and measures shown on the delivery tickets are correct. The McHenry County Division of Transportation, and other participating local governmental units, reserve the right to require that delivery trucks be directed to a local scale to check the accuracy of the loads being delivered.

The Supplier shall deliver the ordered quantity within plus or minus 20 tons.

The Supplier shall notify McHenry County, and other participating local governmental units, the name of the trucking firm that will be delivering the salt, as well as a contact name, and the address and phone number of said trucking firm.

Delivery: McHenry County Division of Transportation rock salt deliveries shall be made to the LCDOT facility at:

16111 Nelson
Road Woodstock,
IL 60098

Rock salt deliveries for the other local governmental units shall be made to listed delivery location for each included herein.

Normally rock salt deliveries shall be made between the hours of 6:30 a.m. and 3:00 p.m., Monday through Friday. Arrangements may be made for deliveries at other hours and on Saturday or Sunday, to maintain a prompt order delivery schedule. These arrangements may be made by contacting the designated point of contact listed in the Contact Information and Delivery Location table included herein.

Orders are generally expected to be received within seven working days from date of order. For an order placed prior to 9:00 A.M. on a given day, that day would be considered as the first working day of the seven day delivery period. For an order placed after 9:00 A.M. on a given day, the day following would be considered as the first working day of the seven day delivery period, or as amended by order guidelines herein.

Term: This contract shall be in effect for a one year period (December 1, 2024 – November 30, 2025). The early delivery period will not be included in the one year duration. McHenry County, and other local governmental units, reserve the right to renew this contract, or any part of this contract, for an additional one year period, subject to acceptable performance by the Supplier. At the end of any contract term, McHenry County reserves the right to extend this contract for a period of up to 60 days for the purpose of getting a new contract in place. For any year beyond the initial year, this contract is contingent on the appropriation of sufficient funds; no charges shall be assessed for failure of the County to appropriate funds in future contract years

A contract renewal will incorporate the same dates for subsequent years changing only the year of the date i.e. 2024 dates will become 2025 and 2025 dates will become 2026. McHenry County, and other participating local governmental units, will issue individual releases for bulk rock salt. For renewal Lake County will provide the Supplier(s) with the 2026 estimated usage for LCDOT, LCFPD, MCDOT, and the other participating governmental units, during the month of March 2025. The estimated usage for 2026 will be limited to +/- 25% of the 2025 quantities.

Escalator Provision: The unit price shall remain firm/fixed for the first year. Written requests for price revisions after the first year, shall be submitted at least 60 days in advance of the annual contract period. Requests shall be based upon and include documentation of the actual change in the costs of the components involved in the contract and shall not include overhead and profit. Changes in the contract price shall be made in the amount of the actual change in Supplier cost or the percentage change in the U.S. Average Consumer Price Index for the Midwest Urban - per category "All Items," whichever is less. Surcharges for fuel and/or other costs shall not be allowed. Manufacturer and/or Warehouse Distributor's price sheets or an equivalent document showing the new pricing may be considered sufficient documentation for a price change. **PRICE INCREASES SHALL NOT EXCEED 5.0%, FOR ANY YEAR**. The County reserves the right to reject any price increase and to terminate the contract.

Basis of Payment: This work will be paid for at the contract unit price per ton for ROCK SALT (ENHANCED). *The unit price shall include all equipment, labor and materials required to furnish and deliver the rock salt as specified herein. The rock salt shall be bid F.O.B. Destination, with all freight and transportation charges included in the bid price. The term F.O.B. Destination shall mean delivered to a specified location. Any claim for loss or damage shall be between the Supplier and the carriers, movers, riggers, etc.., and no additional compensation will be allowed.*

Liquidated Damages: From November 1, 2024 through June 30, 2025, if the Supplier is unable to make delivery within seven working days from the date of order, McHenry County, and the other participating local governmental units, shall have the right to retain $ .20 per ton, per working day from the date of the order, as liquidated damages on the undelivered portion of the order.

An order placed prior to 9:00 A.M. on any business day (Monday through Friday, except Holidays) will be considered as the first working day of the seven day delivery period. For orders placed after 9:00 A.M. on a given day, the following day would be considered the first working day of the seven day delivery period.

If 14 working days have elapsed since placement of an order and the Supplier has failed to deliver all or part of the order, McHenry County, and/or the other participating local governmental units, shall reserve the right to take action to remedy the failure of Supplier performance without prior notification of such failure. This may include termination of the order and purchase of salt from other sources, or to take action consistent with public safety as needed to continue business. Any or all additional costs may be collected from the Supplier, in addition to any liquidated damages.

SPECIAL PROVISION
FOR
EMPLOYMENT PRACTICES

Effective: January 1, 1999

In addition to all other labor requirements set forth in this proposal and in the Standard Specifications for Road and Bridge Construction, adopted by the Department of Transportation, during the performance of this contract, the Contractor for itself, its assignees, and successors in interest (hereinafter referred to as the "Contractor") agrees as follows:

Selection of Labor. The Contractor shall comply with all Illinois statutes pertaining to the selection of labor.

Equal Employment Opportunity. During the performance of this contract, the Contractor agrees as follows:

(a) That it will not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, ancestry, age, marital status, physical or mental handicap or unfavorable discharge from military service, and further that it will examine all job classifications to determine if minority persons or women are underutilized and will take appropriate affirmative action to rectify any such underutilization.

(b) That, if it hires additional employees in order to perform this contract or any portion hereof, it will determine the availability of minorities and women in the area(s) from which it may reasonably recruit and it will hire for each job classification for which employees are hired in such a way that minorities and women are not underutilized.

(c) That, in all solicitations or advertisements for employees placed by it or on its behalf, it will state that all applicants will be afforded equal opportunity without discrimination because of race, color, religion, sex, national origin, ancestry, age, martial status, physical or mental handicap or unfavorable discharge from military service.

That it will send to each labor organization or representative of workers with which it has or is bound by collective bargaining or other agreement or understanding, a notice advising such labor organization or representative of the Contractor's obligations under the Illinois Human Rights Act and the Department's Rules and Regulations. If any such labor organization or representative fails or refuses to cooperate with the Contractor in its efforts to comply with so such Act and Rules and Regulations, the Contractor will promptly so notify the Illinois Department of Human Rights and the contracting agency and will recruit employees from other sources when necessary to fulfill its obligations thereunder.

(e) That it will submit reports as required by the Department of Human Rights Rules and Regulations, furnish all relevant information as may from time to time be requested by the Department or the contracting agency, and in all respects comply with the Illinois Human Rights Act and the Department's Rules and Regulations.

(f) That it will permit access to all relevant books, records, accounts and work sites by personnel of the contracting agency Illinois Department of Human Rights for purposes of investigation to ascertain compliance with the Illinois Human Rights Act and the Department's Rules and Regulations.

(g) That it will include verbatim or by reference the provisions of this clause in every subcontract so that such provisions will be binding upon every such subcontractor. In the same manner as with other provisions of this contract, the Contractor will be liable for compliance with applicable provisions of this clause by all its subcontractors; and further it will promptly notify the contracting agency and the Illinois Department of Human Rights in the event any subcontractor fails or refuses to comply therewith. In addition, the Contractor will not utilize any subcontractor declared by the subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations.
