VILLAGE OF BARRINGTON

ORDINANCE NO. 2025-4577

AN ORDINANCE AMENDING
THE BARRINGTON VILLAGE CODE

Title 1, "Administration":
Chapter 14, "Fees, Charges, Deposits, and Other Amounts Payable to the Village"
Title 9, "Water and Sewer":
Chapter 2, "Water Meters and Village System Service Charges", and
Chapter 9, "Sewer Service Charges; Administration and Enforcement"

ADOPTED BY THE

CORPORATE AUTHORITIES

OF THE VILLAGE OF BARRINGTON

THIS 15 DAY OF DECEMBER, 2025

Published in pamphlet form by authority of the Corporate Authorities of the Village of Barrington, Illinois, this 15 day of DECEMBER, 2025.

Ordinance No. 2025-4577

AN ORDINANCE AMENDING
THE BARRINGTON VILLAGE CODE

Title 1, "Administration":
Chapter 14, "Fees, Charges, Deposits, and Other Amounts Payable to the Village"
Title 9, "Water and Sewer":
Chapter 2, "Water Meters and Village System Service Charges", and
Chapter 9, "Sewer Service Charges; Administration and Enforcement"

WHEREAS, the Corporate Authorities of the Village of Barrington (the "Village") have determined that it is necessary to amend the Barrington Village Code as set forth herein:

NOW, THEREFORE, BE IT ORDAINED by the President and Board of Trustees of the Village of Barrington, Cook and Lake Counties, Illinois, in exercise of the authority of this Village as a Home Rule unit, that:

SECTION 1: The President and Board of Trustees hereby find that the recitals hereinabove set forth are true and correct and are incorporated into the text of this Ordinance as its findings of fact to the same extent as if such recitals had been set forth herein in their entirety.

SECTION 2: Title 4, "Public Health and Safety" and Title 9, "Water and Sewer", of Section 1-14-1, "Enumerated", contained in Chapter 14, "Fees, Charges, Deposits, and Other Amounts Payable to the Village", of Title 1, "Administration", of the Barrington Village Code, shall be and is hereby amended, in relevant part, as follows (underlined text is to be inserted and interlined text is to be deleted):

SECTION 3: Section 9-2-5, "Village System Service Rates Established", of Chapter 2, "Water Meters and Village System Service Charges", of Title 9, "Water and Sewer", of the Barrington Village Code, shall be and is hereby amended to read as follows:

"9-2-5. Village System Service Rates Established.

A. Within Village Limits.

1. Computation. The charge to be paid by ~~every~~ the respective person or persons owning or occupying each separate premises located within the corporate limits of the Village and using water and sanitary sewer service from the Village system ~~within the corporate limits of the Village~~ shall be computed ~~b~~imonthly ~~(once every two months)~~ based upon the water meter size (referred to herein as the "basic Village system service charge") and the quantity of water used (referred to herein as either the "quantity" or "flow charges").

2. Rates.

a. The ~~rates and charges~~ basic system user charge imposed by this subsection A to be paid by ~~every~~ the respective person or persons owning or occupying each separate premises located within the corporate limits of the Village and using water and sanitary sewer service from the Village system ~~within the corporate limits of the village~~ shall be as set forth in Section 1-14-1 of this Code, as it may be amended from time to time.

b. The capital improvement charge fee on a per month basis to be paid by the respective person or persons owning or occupying each separate premises using water and/or sewer services(s) from the Village system, the purpose of which is to defray the cost for the planning, design, construction, installation, improvement,

extension, and/or reconstruction of the Village's system; (also referred to in this Title as the "local capital cost charges") shall be as set forth in Section 1-14-1 of this Code, as it may be amended from time to time.

~~b.~~c. Water q~~Q~~uantity (flow) charges shall be as set forth in Section 1-14-1 of this Code, as it may be amended from time to time.

3. Master Metering. Any building that has 30 or more residential dwelling units and is substantially constructed after October 1, 2001, shall be served by either individual meters or a master water meter(s). In those instances that a master water meter is installed, basic Village system service charges shall be based on the size and number of meters that would have been installed assuming the individual metering of the residential dwelling units and the separate metering of other areas.

B. Outside Village Limits. The ~~charge~~ basic system service user charges, the capital improvement charges, and the water quantity (flow) and/or sanitary sewer service charges to be paid by ~~every~~ the respective person or persons owning or occupying each separate premises ~~using any service from the Village system~~ located outside the corporate limits of the Village and using any service from the Village system is as set forth in Section 1-14-1 of this Code, as it may be amended from time to time.

~~C. Large Users; Monthly Bills. The Village may, but shall not be obligated to, bill on a monthly basis consumers using in excess of 100,000 gallons of water during each bimonthly billing period, such monthly billing to be based upon one estimated and a second actual reading."~~

SECTION 4: Section 9-9-2, "Sewer User Charges Generally", of Chapter 2, "Sewer Service Charges; Administration and Enforcement", of Title 9, "Water and Sewer", of the Barrington Village Code, shall be and is hereby amended to read as follows:

"9-9-2. - Sewer User Charges Generally.

A. Basis of Charges.

1. There shall be and there are hereby established sewer user service charges for the use of only the sanitary sewer service supplied by the Village's sewerage works and/or POTW which shall consist of:

   a. A basic sewer user charge per customer for the operations, maintenance, replacement and capital improvements to the Village system;
   b. A sewer quantity or flow charge; ~~and~~
   c. A capital improvement charge; and
   ~~e~~d. Certain user surcharges, all as hereinafter described.

2. The sewer flow charge for such sanitary sewer service shall be based on the water usage as recorded by approved water meters and/or sewage meters for wastewater having normal concentrations of 200 milligrams per liter of BOD, 250 milligrams per liter of suspended

solids, and ten milligrams per liter of phosphorus. Metered usage shall be read to the lowest even increment of 1,000 gallons.

3. The basic sewer user charge and the sewer flow charge shall be determined as follows:

   a. The amount of revenue required to operate and maintain the Village's sewerage works and POTW and to provide funds for replacement of component parts of and capital improvements to said sewerage works and POTW for each fiscal year; and

   b. The amount of revenue funds required for the principal and interest payments due for all outstanding bonds authorized and issued by the Village for financing improvement to the sewerage works and POTW and to provide bond reserve funds as required by bond ordinances (debt service charge).

B. Charges Established.

1. Metered Sewer Users. The sewer user service ~~charges~~ charge to be paid ~~bi~~monthly ~~(once every two months)~~ by all metered sewer users with sanitary sewer service only within the Village corporate limits shall consist of the sum of a basic sewer user charge plus a sewer flow charge plus a capital improvement charges, plus such other user surcharge as may be applicable, all as set forth in Section 1-14-1 of this Code, as it may be amended from time to time.

2. Nonmetered Sewer Users.

   a. The sewer user service charge to be paid ~~bi~~monthly by all nonmetered sewer users within the village corporate limits with a ~~bi~~monthly wastewater discharge of not more than 20,000 gallons shall be as set forth in Section 1-14-1 of this Code, as it may be amended from time to time.

   b. Whenever the Director of Public Works determines that a nonmetered sewer user is discharging on a bimonthly basis more than 20,000 gallons, the Director of Public Works may require such nonmetered sewer user to install metering devices on the building water supply or building sewer to measure the volume of wastewater which will be discharged to the public sewer.

3. Treatment Service Surcharge. A treatment service surcharge shall be levied to all sewer users whose wastewater exceeds the normal concentrations of 200 milligrams per liter of biochemical oxygen demand ("BOD"), 250 milligrams per liter of suspended solids, and ten milligrams per liter of phosphorous, as determined by waste sampling which shall be performed as often as deemed necessary by the Director and shall be binding as the basis for computing the surcharge. The surcharge rates shall be as follows:

   a. Effective for the period commencing January 1, 2002, and effective thereafter until amended by the Corporate Authorities of the Village, the surcharge rates for the treatment service surcharge imposed by this Subsection B3 shall be as set forth in Section 1-14-1 of this Code, as it may be amended from time to time.

4. Local Capital Cost Charges. The capital improvement charge fee on a per month basis to be paid by the respective person or persons owning or occupying each separate premises

using the Village sanitary sewer service(s), the purpose of which is to defray the cost for the planning, design, construction, installation, improvement, extension, and/or reconstruction of the Village's system; (also referred to in this Title as the "local capital cost charges") shall be as set forth in Section 1-14-1 of this Code, as it may be amended from time to time.

SECTION 5: The Corporate Authorities of the Village intend that this Ordinance will be made part of the Barrington Village Code and that sections of this Ordinance can be renumbered or relettered and the word "Ordinance" can be changed to "Section", "Article", "Chapter", "Paragraph", or some other appropriate word or phrase to accomplish codification, and regardless of whether this Ordinance is ever codified, the Ordinance can be renumbered or relettered and typographical errors can be corrected with the authorization of the Village Attorney, or his or her designee.

SECTION 6: Those sections, paragraphs and provisions of the Village of Barrington Village Code which are not expressly amended or repealed by this Ordinance shall remain in full force and effect, and it is expressly declared to be the intention of this Ordinance not to repeal or amend any portions of said Village Code other than those expressly amended or repealed in this Ordinance.

SECTION 7: If any section, subsection, paragraph, sentence, clause or phrase of this Ordinance or any part thereof is, for any reason, held to be unconstitutional or invalid or ineffective by any court of competent jurisdiction, such decision shall not affect the validity or effectiveness of the remaining portions of this Ordinance, or any part thereof. The Corporate Authorities hereby declare that they would have passed each section, subsection, subdivision, paragraph, sentence, clause or phrase thereof irrespective of the fact that any one or more sections, subsections, subdivisions, paragraphs, sentence, clauses or phrases be declared unconstitutional, invalid or ineffective.

SECTION 8: This Ordinance shall not affect any punishment, discipline, infraction, or penalty or any action based on any other Ordinance of this Village incurred before the effective date of this Ordinance, nor any suit, prosecution or proceeding pending at the time of the effective date of this Ordinance, for an offense or violation committed or cause of action arising before this Ordinance, and said other ordinances as heretofore existing shall continue in full force and effect for said limited purpose.

SECTION 9: The Village Clerk is directed to immediately publish this Ordinance in pamphlet form.

PASSED THIS 15 DAY OF DECEMBER, 2025 BY ROLL CALL VOTE AS FOLLOWS:
