This Contract calls for the construction of a "public work", within the meaning of the Illinois Prevailing Wage Act, 820 ILCS 130/.01, et seq. ("the Act"). The Act requires contractors and subcontractors to pay laborers, workers and mechanics performing services on public works projects no less than the current "prevailing rate of wages" (hourly cash wages plus amount for fringe benefits) in the county where the work is performed. The Illinois Department of Labor ("IDOL") publishes the prevailing wage rates on its website at http://labor.illinois.gov/. The IDOL may revise the prevailing wage rates from time to time and the contractor/subcontractor has an obligation to check the IDOL's website for revisions to prevailing wage rates and comply with the most current prevailing wage rates. For information regarding current prevailing wage rates, please refer to the IDOL website. All contractors and subcontractors rendering services under this contract must comply with all requirements of the Act, including but not limited to, all wage requirements and notice and record keeping duties, including but not limited to the filing of monthly certified payrolls on IDOL forms. In the event of any conflict between this Agreement and any other Contract Documents, this Agreement shall prevail, control, and take precedence over the terms and conditions set forth in any other Contract Documents.

4. Time is of the Essence; Dates of Commencement and Completion: Time is of the essence in this Contract. The Work to be performed under the Contract Documents shall commence no later than _____, 2026 (hereinafter the "Commencement Date"), and shall be completed no later than _____, 2026 (hereinafter the "Completion Date"), barring only Acts of God, due to which the Completion Date may be modified in writing with the prior approval the Village. If the Contractor/Vendor fails to complete the Work by the Completion Date, the Village shall thereafter have the right to have the Work completed by another independent contractor, and in such event, the Village shall have the right to deduct the cost of such completion so incurred by the Village from payments otherwise due to the Contractor/Vendor for the Work and/or the right to recover any excess cost of completion from the Contractor/Vendor to the extent that the total cost incurred by the Village for the completion of the Work which is the subject of the Contract Documents exceeds the Contract Price.

5. Venue and Choice of Law: The parties herein agree that the venue for any and all disputes shall solely be in the county in which the Village's Village Hall is located. This Agreement and all other Contract

Documents shall be construed, interpreted, and governed in accordance with the laws of the State of Illinois.

6. Nonassignability: The Contractor/Vendor shall not assign this Contract, or any part thereof, to any other person, firm, or corporation without the prior written consent of the Village, and in no case shall such consent relieve the Contractor/Vendor or its surety from the obligations herein entered into by the same or change the terms of this Contract.

Final inspection, acceptance and/or rejection of the Work and/or Services, including but not limited to any materials and/or equipment which are part thereof, shall not impose liability on the Village for Work, and/or Services not in accordance with the Contract Documents as determined solely by the Village. Payment shall not be due on rejected Work and/or Services until and unless fully corrected and/or replaced by the Contractor/Vendor as determined by the Village. All Work and/or Services performed by the Contractor/Vendor shall be done in conformance with the Contract Documents as determined solely by the Village, and this Agreement shall control.

M. Notice of Bodily Injury or Property Damage: The Contractor/Vendor shall notify the Village, in writing, of any actual or possible claim for personal injury or property damage relating to the Work, or of any occurrence which might give rise to such claim, promptly upon obtaining first knowledge of same.

In the event that the Contractor/Vendor should fail to make such correction(s), repair(s), and/or replacement(s) ("remedial work") that the Village has determined to be necessary to remedy such defects, deficiencies, and/or non-compliance with the Contract Documents, the Village may do so, and the Contractor/Vendor shall be liable for all damages as provided by law, including but not limited to any costs incurred by the Village for any such remedial work. The Performance and Payment Bond, if one is applicable, shall remain in full force and effect through the warranty/guarantee period.

19. Project Documentation: Upon execution of this Agreement relative to the Project, notwithstanding anything contained in any other Contract Documents to the contrary, the Contractor/Vendor and its subcontractors agree to and shall release to the Village any and all right, title, and interest in and to any and all Project Documentation depicting, documenting, or recording the Project and/or Work, which is the subject of the Contract Documents, including but not limited to any and all drawings, plans, specifications, photos, reports, videos, and/or other recordings on any electronic media (sometimes collectively referred to as "Project Documentation"), and any and all of such Project Documentation shall become the sole property of the Village. The Contractor/Vendor and its subcontractors further warrant to the Village that they have the legal right to convey said Project Documentation to the Village. The Work contemplated by the Contract Documents shall not be considered complete until and unless legible and complete physical and electronic copies of all such Project Documentation have been delivered to the Village. The Village may reuse Project Documentation without the prior written authorization of the Contractor/Vendor, but the Village agrees to waive any claim against the Contractor/Vendor arising from any unauthorized reuse or modification of the Project Documentation.

C. All traffic control measures employed during the term of this contract shall be in accordance with the applicable sections of the IDOT Standard Specifications, the Supplemental Specifications, and the "Illinois Manual Uniform Traffic Control Devices for Streets and Highways".

21. Illinois Freedom of Information Act (5 ILCS 140/1, et seq.): As a unit of local government, the Village is subject to the Illinois Freedom of Information Act (FOIA), as amended. Therefore, after award of the Contract, responses, documents, and materials submitted to the Village by the Contractor will be made available for public inspection in accordance with the FOIA, unless otherwise determined by a Village FOIA officer after award of a contract. The Village and the Contractor and any subcontractor(s) shall maintain their respective records relating to the performance of the Contract Documents in compliance with the requirements of the Local Records Act (50 ILCS 205/1, et seq.) until written approval for the disposal of such records is obtained from the Local Records Commission. All books and records required to be maintained by the Village and the Contractor and any subcontractor(s) shall be available for review by the other. The Contractor and its subcontractor(s) and the Village shall cooperate with each other (a) with all requests for records made pursuant to the Freedom of Information Act (5 ILCS 140/1, et seq.), (b) with any request for records made pursuant to any audit, and (c) by providing full access to and copying of all relevant books and records of Contractor within a time period which allows the Village to timely comply with the time limits imposed by the Freedom of Information Act (5 ILCS 140/1, et seq.). Contractor must inform the Village, in writing, of the exact materials in the Contractor's proposal which it claims are exempt from disclosure pursuant to the FOIA as proprietary or as may otherwise be protected. The obligations imposed by this section shall survive final payment and the termination of the other obligations imposed by the Contract.

22. Contractor/Vendor is an Independent Contractor: It is mutually understood and agreed that the Contractor/Vendor shall have full control of the ways and means of performing the Work referred to above and/or which is the subject of this Agreement and the related Contract and that the Contractor/Vendor or his/its employees, representatives or subcontractors are in no sense employees of the Village, it being specifically agreed that in respect to the Village, the Contractor/Vendor and any party employed by the Contractor/Vendor bears the relationship to the Village of an independent contractor.

23. Restoration of Work Site: The Contractor/Vendor shall be obligated to remove all debris from the Work site at the Contractor's/Vendor's expense. The Contractor/Vendor shall, at its sole cost and expense, as part of the Work required by this Agreement and the related Contract, replace and restore any grass, vegetation or plantings disturbed or removed by the Contractor/Vendor, to their condition before the performance of the Work, and such removal shall only occur after approval in advance in writing by the Village's designee. Without limiting the generality of the foregoing, the Contractor/Vendor shall be obligated to: (1) re-grade and re-seed the ground surface, (2) replace any damaged vegetation, other than trees and bushes removed pursuant to the authority of the Village's designee, with new plantings of good health and quality with species consistent with the recommendation of the Village's designee, and (3) repair any damage to any paved surfaces disturbed by the Work. While the Work is in progress and until all required restoration work is completed, the Contractor/Vendor shall comply with customary and usual initial erosion practices consistent with good engineering procedures and the requirements of all applicable ordinances.

24. Right to Alter Plans and Scope Reserved: The Village reserves the right to alter the plans, extend or shorten the improvements, add to the Work as may be necessary, and increase or decrease the scope

and/or quantity of the Work, including the deduction or cancellation of any one or more of the unit price items, or to cancel the Contract and the Work in its entirety for any reason.

25. Arbitration Deleted from Contract Documents; No Attorneys' Fees: Any provision in the Contract and any other Contract Documents referring to the submission of claims or disputes to arbitration shall herein be deleted. Notwithstanding anything contained in the Contract and any other Contract Documents to the contrary, it is the intent of the parties that arbitration is a remedy which shall not exist under the Contract and any other Contract Documents, and no party shall be entitled to recover attorneys' fees or court costs in any action to enforce or interpret this Agreement and the related Contract Documents.

26. Duration: This Contract shall be in effect from the date of this Contract until the completion of the Work, but the obligations of the Contractor/Vendor under the Paragraphs 11 and 13 hereof shall continue after such termination.

27. Advertisement: The Contractor/Vendor is specifically denied the right to use in any form or medium the name of the Village for public advertising unless express permission is granted by the Village.

28. Amendments: No agreement or understanding to modify the Contract or the related Contract Documents shall be binding upon the Village unless such amendment is in writing and signed by the Village's authorized agent. All specifications, drawings, and data submitted to the Contractor/Vendor with this Agreement or the related Contract Documents are hereby incorporated and made part thereof.

29. Termination: The following shall constitute events of default under this Agreement and the related Contract: a) any material misrepresentation made by the Contractor/Vendor to the Village, b) any failure by the Contractor/Vendor to perform any of its obligations under this Contract including, but not limited to, the following: (i) failure to commence performance of this Contract at the time specified in the Contract due to a reason or circumstance within the reasonable control of the Contractor/Vendor, (ii) failure to perform this Contract with sufficient personnel and equipment or with sufficient material to ensure the completion of this Contract within the specified time due (i.e., by the Completion Date) to a reason or circumstance within the Contractor's/Vendor's reasonable control, (iii) failure to perform this Contract in a manner reasonably satisfactory to the Village, (iv) failure to promptly re-do or re-perform within reasonable time the services that were rejected by the Village as erroneous or unsatisfactory, (v) failure to comply with a material term of this Contract, (vi) failure of the Contractor/Vendor to completely furnish the contracted goods or services to the Village within the time period specified by the Contract Documents; (vii) any breach or violation of Contractor/Vendor or its employees, or agents, of its obligations under the Village Confidential Information provisions of Paragraph 13 of this Agreement; and (viii) any other acts specifically and expressly stated in this Contract as constituting a basis for termination for cause. At least ten (10) days prior to the date that the Contractor/Vendor shall be declared in default of the Contract, the Village shall give written notice by certified mail to the Contractor/Vendor. This notice shall state the reasons that the Contractor/Vendor is being declared in default of the Contract. Failure by the Contractor/Vendor to correct the stated deficiencies within the notice period shall result in the Contractor/Vendor being declared in default of the Contract. Issuance of the notice by the Village shall be an indication of the intentions of the Village to take the work out of the hands of the Contractor/Vendor and to hire others to complete the defaulted work. Upon default, the Contractor/Vendor shall be liable for all damages sustained by the Village as provided by law as a result of such default, including but not limited to all costs incurred by the Village to fully complete all the work specified in the Contract Documents and

all expense of every kind incurred by the Village in remedying any defect(s) and/or deficiency(ies), or failure by the Contractor/Vendor to conform to the Contract Documents and any such costs incurred by the Village may also be paid by the Village out of such monies as otherwise may be due or otherwise may become due to said Contractor/Vendor pursuant to the Contract Documents.

30. Supersede: The terms, conditions and specifications set forth in this Agreement shall supersede, govern, and prevail over any inconsistent terms, conditions, and/or specifications on any other Contract Documents.

31. Severability: In the event any section, subsection, paragraph, sentence, clause, phrase or provision of this instrument or part thereof shall be deemed unlawful, invalid, unenforceable or ineffective by any court of competent jurisdiction, such decision shall not affect the validity, enforceability or effectiveness of the remaining portions of this instrument.

32. Facsimile or Digital Signatures: Facsimile or digital signatures shall be sufficient for purposes of executing, negotiating, and finalizing this Contract, and this Contract shall be deemed delivered as if containing original signatures if such delivery is made by emailing a PDF of a scanned copy of the original, hand-signed document, and/or by use of a qualified, established electronic security procedure mutually agreed upon by the Parties.

33. No Third Party Beneficiaries: The parties do not intend to confer any benefit hereunder on any person, firm or corporation other than the parties hereto.

34. Counterparts: This Agreement may be executed in one or more counterparts, which counterparts when affixed together, shall constitute one and the same original document.

35. Entire Agreement: The Contract Documents (including all Exhibits attached thereto which by reference are made a part of the Contract) and all other written agreements signed by all of the parties hereto which by their express terms are a part of the Contract Documents, are the final expression of, and contain the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior understandings with respect thereto. The parties do not intend to confer any benefit hereunder on any person, firm or corporation other than the parties hereto.
