AGREEMENT BETWEEN THE VILLAGE OF BARRINGTON AND MIDLAND STANDARD ENGINEERING & TESTING, INC. FOR PROFESSIONAL SERVICES

THIS AGREEMENT (hereinafter, the "Agreement") is made this 8 day of JUNE, 2026, by and between the VILLAGE OF BARRINGTON (hereinafter referred to as "Village") and MIDLAND STANDARD ENGINEERING & TESTING, INC. (hereinafter referred to as "Consultant") for the performance of certain professional engineering services in the nature of construction-related services for upgrades to the Village's Wastewater Treatment Plant ("WWTP") (hereinafter referred to as the "Project", or the "Services") for an estimated not-to-exceed cost of $173,042.55 pursuant to the Consultant's Proposal dated May 26, 2026 (hereinafter, the "Consultant's Proposal"). This Agreement, the Consultant's Proposal, and EPA Form 5700-49 shall constitute the Contract Documents. In the event of any conflict between the Consultant's Proposal and this Agreement, the provisions of this Agreement shall supersede, prevail, and control.

WITNESSETH:

In consideration of the mutual covenants set forth herein, the Parties agree as follows:

1. Scope of Services: The Consultant agrees to and shall timely perform and fully complete all of the "Scope of Services" for the Project as set forth in the Consultant's Proposal dated May 26, 2026, attached hereto and made a part of this Agreement as Exhibit A (the "Services").

2. Payment:

   A. The Village agrees to pay the Consultant, and the Consultant agrees to accept as compensation for all Services relative to completion of the Project those fees set forth in the Consultant's Proposal dated May 26, 2026, as well as reimbursement by the Village to the Consultant of those expenses incurred by the Consultant with regard to the Services as identified in the Consultant's Proposal at the not-to-exceed cost of $173,042.55.

   B. Invoices for Payments: The Consultant agrees to and shall prepare and submit invoices for progress payments to the Village as hereinafter set forth for Services completed to date. Invoices shall be prepared monthly and shall document the percent completion by Consultant relative to the Project on behalf of the Village.

   C. Village's Compliance with the Illinois Local Government Prompt Payment Act (50 ILCS 505/1, et seq.) (the "Act). The Village complies with the Act, which states that any bills approved for payment shall be paid within thirty (30) days after date of approval of the invoice by the Corporate Authorities of the Village. Notwithstanding any other provisions of any Contract Document, the Village shall not, in any manner, be considered to have accepted the Services, or any part thereof, or to have waived any claim related to such Services by making a final payment or by making any progress payment of any amount, where the Village determines that such Services, or part thereof, are defective, deficient, or not in conformance with the Contract Documents.

3. Contract Documents: The term "Contract Documents" means and includes, but is not limited to, this Agreement, the Consultant's Proposal dated May 26, 2026, which is attached hereto and thereby made a part hereof as Exhibit A, and EPA Form 5700-49, attached hereto and thereby made a part hereof as Exhibit B. In the event of any conflict between this Agreement and any other Contract Document, this Agreement shall prevail and control over the terms and conditions set forth in such other Contract Documents.

4. Dates of Commencement and Completion: Time is important for this Agreement. The Services to be performed by the Consultant under the Contract Documents shall commence upon execution of the Contract Documents by the Village and the Consultant (hereinafter the "Commencement Date"), and shall be completed no later than December 31, 2030 (hereinafter the "Completion Date"), barring only Acts of God, due to which the Completion Date may be modified in writing with the prior approval of the Village. 5. Venue and Choice of Law: The Consultant and the Village agree that the venue for any and all disputes shall solely be in Cook County, Illinois, in which the Village's Village Hall is located. This Agreement and all other Contract Documents shall be construed and interpreted in accordance with the laws of the State of Illinois.

6. Nonassignability. The Consultant shall not assign this Agreement, or any part thereof, to any other person, firm, or corporation without the prior written consent of the Village, and in no case shall such consent relieve the Consultant or its surety from the obligations herein entered into by the same or change the terms of this Agreement.

7. Notices. All notices required by the Contract Documents shall be given in writing and shall be served by one party to the other party via email (effective when transmitted), facsimile (effective when transmitted), personal delivery (effective when delivered), commercial overnight delivery (effective when delivered), or by mail (effective when mailed).

8. Right to Alter Scope of Services Reserved: The Village reserves the right to alter the Contract Documents, extend or shorten the Scope of Services, add to the Scope of Services as may be necessary, and increase or decrease the scope and/or quantity of the Services, including the deduction or cancellation of any one or more of the unit price items, or to cancel the Agreement and the Services in their entirety for any reason through an amendment signed by both parties. 9. Control and Inspection of Services: Unless otherwise specified in the Contract Documents, inspection, acceptance or rejection of Services shall be made after delivery. Final inspection, acceptance and/or rejection of the Services shall not impose liability on the Village for Services not in accordance with the Contract Documents and standard of care. Payment shall not be due on rejected Services until and unless fully corrected and/or replaced. All Services performed by the Consultant shall be done in conformance with the standard of care which shall be the care and skill ordinarily used by members of Consultants' profession practicing under similar circumstances at the same time and locality.
